On July 10, 2019, the Court received a notice from the Plaintiff requesting access to the electronic case filing system at North Kern State Prison (NKSP).

Plaintiff contends that prison officials at NKSP are denying him physical access to the law library to use the e-filing system. (ECF No. 1 at 1.) Plaintiff requests to be exempt from filing his complaint through use of the electronic filing system.

As Plaintiff is incarcerated at NKSP, he is subject to the Standing Order in Re: Procedural Rules for Electronic Submission of Prison Litigation Filed by Plaintiff’s incarcerated at NKSP. Pursuant to the standing order, which applies to initial filings: (1) new complaints are subject to e-filing and they may not exceed twenty-five pages in length; and (2) motions seeking relief from the standing order, motions for emergency relief, or motions to increase the page limit shall be no more than fifteen (15) pages. As a California Department of Corrections and Rehabilitation participating facility, no initial documents are accepted for filing by the Clerk of Court unless done pursuant to the standing order or the scanning equipment is inoperable for a period longer than forty-eight (48) hours.
