UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

CORY JAMES WHITE,
Plaintiff,
vs.
KRANTZ, et al.,
Defendants.

1:20-cv-00892-NONE-GSA-PC
ORDER DENYING MOTION FOR
APPOINTMENT OF COUNSEL
(ECF No. 9.)

On October 29, 2020, Plaintiff filed a motion seeking the appointment of counsel. Plaintiff does not have a constitutional right to appointed counsel in this action, Rand v. Rowland, 113 F.3d 1520, 1525 (9th Cir. 1997), and the court cannot require an attorney to represent plaintiff pursuant to 28 U.S.C. § 1915(e)(1). Mallard v. United States District Court for the Southern District of Iowa, 490 U.S. 296, 298 (1989). However, in certain exceptional circumstances the court may request the voluntary assistance of counsel pursuant to section 1915(e)(1). Rand, 113 F.3d at 1525.

Without a reasonable method of securing and compensating counsel, the court will seek volunteer counsel only in the most serious and exceptional cases. In determining whether “exceptional circumstances exist, the district court must evaluate both the likelihood of success of the merits [and] the ability of the [plaintiff] to articulate his claims *pro se* in light of the complexity of the legal issues involved.” Id. (internal quotation marks and citations omitted).

1 In the present case, the court does not find the required exceptional circumstances.
2 Plaintiff argues that he cannot afford to retain counsel, he has limited understanding of the law,
3 serious and complex discovery proceedings will be necessary, and his access to legal materials
4 are limited. These conditions, without more, do not make plaintiff's case exceptional under the
5 law. At this early stage in the proceedings, the court cannot make a determination that plaintiff
6 is likely to succeed on the merits. Plaintiff's complaint awaits the court's screening required
7 under 28 U.S.C. § 1915. Thus, to date the court has not found any cognizable claims in plaintiff's
8 complaint for which to initiate service of process, and no other parties have yet appeared. The
9 legal issue in this case -- whether defendants violated plaintiff's right to practice his religion -- is
10 not complex. Moreover, based on a review of the record in this case, the court finds that plaintiff
11 can adequately articulate his claims. Therefore, plaintiff's motion shall be denied, without
12 prejudice to renewal of the motion at a later stage of the proceedings.

13 Accordingly, for the foregoing reasons, plaintiff's motion for the appointment of counsel
14 is HEREBY DENIED, without prejudice.

15
16 IT IS SO ORDERED.

17 Dated: November 17, 2020
