27 ¹ The stipulation requests a stay until July 23, 2025. The Court assumes that this was a typographical error as the
28 stipulation states that the adjudication of Plaintiff's application will occur within 120 days, which will be around
July 23, 2024. However, if the parties desire a stay until July 23, 2025, they may request an extension of the stay
in a filing explaining why such a lengthy extension is warranted.
