Case No. 2:76-CV-00162-EFB

**STIPULATION AND [~~PROPOSED~~]  
ORDER RE: FURTHER  
EXTENSION OF AMENDED  
CONSENT DECREE**

Judge: Edmund F. Brennan

Trial Date: None Set

[4235771.1]

1 On January 30, 2019, United States Magistrate Judge Edmund F. Brennan granted  
2 final approval to an Amended Consent Decree (“ACD”) covering certain operations of the  
3 Yuba County Jail (the “Jail”). Since then, Rosen, Bien, Galvan & Grunfeld and the U.C.  
4 Davis School of Law King Hall Civil Rights Clinic (“Class Counsel”) have been  
5 monitoring compliance with the ACD on behalf of the Plaintiff class, which includes  
6 review of documents and information the County of Yuba provides pursuant to the terms  
7 of the ACD. The ACD was set to expire January 31, 2023. In anticipation of that, Class  
8 Counsel served discovery requests. Defendants James Grant, et al. (the “County of Yuba”)  
9 stated that they would object to these discovery requests.

10 Thereafter, the County of Yuba and Class Counsel agreed that the current ACD  
11 should be extended until May 31, 2023, or until approval by the Court of a stipulated  
12 Second Amended Consent Decree (“SACD”), whichever occurs first. The Court approved  
13 the stipulation by order dated September 26, 2022.

14 Since that time, the parties have negotiated in good faith to extend the portions of  
15 the ACD that address mental health care and related issues at the Jail. The parties reached  
16 agreement on a SACD and filed a joint motion for preliminary approval of the SACD  
17 contemporaneous with the filing of this Stipulation.

18 In order to give the parties time to pursue preliminary and final approval and allow  
19 time for class member review and potential objections, the parties enter into the following  
20 stipulation:

21 NOW THEREFORE, IT IS HERBY STIPULATED AND AGREED by and  
22 between the parties to this action, through their undersigned counsel, as follows:

23 1. If the Court does not grant or deny final approval to the SACD prior to  
24 May 31, 2023, the ACD shall remain in effect until the Court grants or denies final  
25 approval to the SACD.

26 2. If the Court denies final approval of the SACD, the ACD shall remain in  
27 effect until May 31, 2023 or for an additional one-hundred-and-twenty (120) days from the  
28 date the Court denies approval, whichever date is later. Any motion to enforce or to

1 extend the ACD shall be filed prior to May 31, 2023 or the additional one-hundred-and-  
2 twenty (120) days from the time the Court denies approval of the SACD, whichever is  
3 later.

4 3. All discovery shall continue to be stayed until the Court grants or denies final  
5 approval of the SACD. If the Court denies final approval of the SACD, Plaintiffs may  
6 pursue discovery without the need to re-serve their PMK deposition notices. The County  
7 of Yuba preserves all rights to object to that discovery.

8 IT IS SO STIPULATED.

**[PROPOSED] ORDER**

Pursuant to the foregoing stipulation of the parties, IT IS SO ORDERED:

1. All discovery shall continue to be stayed until the Court grants or denies final approval of the SACD. If the Court denies final approval of the SACD, Plaintiffs may pursue discovery without the need to re-serve their PMK deposition notices. The County of Yuba preserves all rights to object to that discovery.

2. If the Court does not grant or deny final approval of the SACD prior to May 31, 2023, the ACD shall remain in effect until the Court grants or denies final approval to the SACD.

3. If the Court denies final approval of the SACD, the ACD shall remain in effect until May 31, 2023 or for an additional one-hundred-and-twenty (120) days from the date the Court denies approval, whichever date is later. Any motion to enforce or to extend the ACD shall be filed prior to May 31, 2023 or the additional one-hundred-and-twenty (120) days from the time the Court denies approval of the SACD, whichever is later.

Dated: February 27, 2023.
