As plaintiffs explained in their moving papers, the parties are in on-going negotiations over several issues raised in plaintiffs’ motion to enforce, and plaintiffs submitted their motion prophylactically: *i.e.*, out of an abundance of caution to preserve their right to recover attorney’s fees and costs incurred in prosecuting their motion to enforce.

Plaintiffs further indicated that judicial economy would be served by the Court’s deferring hearing and disposition of the instant motion until after all issues relating to defendants’ compliance with the settlement have been wholly resolved, whether by settlement or litigation. Plaintiffs accordingly sought and obtained defendants’ agreement to take plaintiffs’ fee motion off calendar.

///

1
2 Accordingly, IT IS HEREBY STIPULATED, by and between the undersigned counsel
3 for plaintiffs and defendants, that plaintiffs' motion for attorney's fees and costs be
4 taken off calendar, subject to re-noticing in accordance with Local Rule 230.
