24 **STIPULATION AND ORDER  
RE: MODIFICATION OF  
DEFENDANTS' INTERMEDIATE-  
TERM PROJECT FOR 150-BED  
LEVEL III/IV ENHANCED  
OUTPATIENT PROGRAM-GENERAL  
POPULATION PROJECT AT  
SOLANO STATE PRISON**

Acronym List	
Term	Definition
<b>CDCR</b>	California Department of Corrections and Rehabilitation
<b>EOP</b>	Enhanced Outpatient Program
<b>GP</b>	General Population
<b>RJD</b>	Richard J. Donovan Correctional Facility
<b>SOL</b>	Solano State Prison
<b>SNY</b>	Sensitive Needs Yard

1 On March 31, 2009, this Court ordered that Defendants develop and file concrete  
2 proposals to meet the short-term, intermediate, and long-range mental health beds needs of the  
3 *Coleman* class members. (Docket No. 3556.) Defendants submitted their bed plan on May 26,  
4 2009. (Docket No. 3592.) As one of their intermediate-term projects, Defendants proposed to  
5 convert one 270-design housing unit at Solano State Prison (SOL) from a Level III General  
6 Population (GP) housing unit to housing for 150 Level III/IV Enhanced Outpatient Program-  
7 General Population (EOP-GP) inmates.

8 California Department of Corrections and Rehabilitation (CDCR) population trends,  
9 however, show a more immediate need for Level IV Enhanced Outpatient Program-Sensitive  
10 Needs Yard (EOP-SNY) beds throughout the state.

11 The parties have met and conferred regarding Defendants' 150-bed Level III/IV EOP-GP  
12 project at SOL, and it was agreed that Defendants replace this project with a project that will  
13 convert one 270-design building at Richard J. Donovan Correctional Facility (RJD) from a 190-  
14 bed Level IV General Population-Sensitive Needs Yard (GP SNY) to a 150-bed Level IV EOP-  
15 SNY. Defendants expect to begin the transition at RJD from GP-SNY to EOP-SNY in July 2010,  
16 and be fully operational by December 2010.

17       Therefore, the parties, by and through their counsel, stipulate that Defendants shall replace  
18 the 150-bed Level III/IV EOP-GP project at SOL with the above-described intermediate-term  
19 project for 150-bed Level IV EOP-SNY beds at RJD.

20 The parties have met and conferred with *Coleman* Special Master Matthew Lopes and he  
21 is in agreement with this stipulation.
