UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

RALPH COLEMAN, et al.,  
Plaintiffs,  
v.  
GAVIN NEWSOM, et al.,  
Defendants.

No. 2:90-cv-0520 KJM KJN P

ORDER

This matter is set for further status conference on May 1, 2020. On March 17, 2020, the court issued an order setting an agenda for the first regular quarterly status conference of 2020, which was held on March 20, 2020. ECF No. 6509. Under the circumstances at the time, the entire March 20, 2020 status conference was focused on the impact of the novel coronavirus (COVID-19) pandemic on monitoring, mental health programming and coordination with the *Plata Receiver*. *Id.* at 1-2; *see also* ECF No. 6513. The court deferred all other agenda items until the following week. *See* ECF No. 6513. At the status conference on March 27, 2020, the court heard from the parties on the first and tenth items on the agenda, and continued the remaining items for another two weeks. *Id.* Given the continually evolving circumstances with respect to the coronavirus pandemic, at a status conference on April 3, 2020, the court determined that the impact of the COVID-19 pandemic would be the focus of all further status conferences in

1 the month of April 2020, and continued the additional agenda items to May 1, 2020. *See* ECF  
2 No. 6571.

3 Upon a review of the record as relevant here, and good cause appearing, the court now  
4 sets the following agenda for the May 1, 2020 further status conference:

- 5 1. Update on COVID-19: The parties and the Special Master should be  
6 prepared to provide updates on the impact of the coronavirus pandemic on  
7 class members and mental health programming, including but not limited  
8 to the status of the proposed stipulation identifying all temporary changes  
9 to mental health programming in light of the COVID-19 pandemic the  
10 parties will request that the court consider approving.
- 11 2. Status of development of an adequate process for updating mental health  
12 records in the Electronic Health Records System (EHRS). *See* ECF No.  
13 6441 at 10.
- 14 3. Sustainable Process Improvement. *See* ECF No. 6494 at 2. As proposed  
15 by defendants, the parties shall be prepared to address the steps devised by  
16 defendants to ensure timely identification, referral, and transfer of inmates  
17 in need of inpatient mental health care to such care. In addition, as noted in  
18 the March 17, 2020 order, “the court has reached the tentative conclusion  
19 that at least one additional unmet bed needs study will be required in order  
20 for defendants to demonstrate (a) that they have a sufficient number of  
21 licensed inpatient mental health beds, including mental health crisis beds;  
22 and (b) that all class members in need of inpatient mental health care are in  
23 fact being timely identified, referred, and transferred to such care.” ECF  
24 No. 6509 at 3. The court’s tentative conclusion has not changed.  
25 Accordingly, the parties should be prepared to discuss the time frame for  
26 conducting such a study taking into consideration, as appropriate, the

27 /////

1 impact of COVID-19 on such a study and, in addition, whether they will  
2 stipulate to defendants' conducting the study under the guidance and  
3 supervision of the Special Master without further order of this court.

4 4. Deficient Treatment and Conditions in Psychiatric Inpatient Programs. *See*  
5 ECF No. 6493 at 3-5.

6 5. Staff Misconduct Against *Coleman* Class Members. *See* ECF No. 6493 at  
7 5-7. On April 3, 2020, the court entered a stipulated protective order  
8 related to this matter. It remains on the agenda in the event the parties have  
9 any brief update on the potential for any motion practice in this court.

10 Although the COVID-19 pandemic may have impeded forward momentum on the  
11 following agenda items these items remain on the agenda for a brief discussion of when next  
12 steps may reasonably resume.

13 6. Update on coordination between *Coleman* and *Plata* following conclusion  
14 of proceedings on the Golding Report. *See* ECF No. 6509 at 2.

15 7. Establishing Benchmarks and Procedures for Determining When  
16 Constitutional Compliance Has Been Durably Achieved. *Id.*

17 8. Enhanced Outpatient Program Administrative Segregation Unit (EOP  
18 ASU) Hub Certification. *Id.*

19 9. Data Integration, Management, and Integrity, noting the court has  
20 approved the Special Master's request to appoint a data expert. *Id.*

21 Finally, the court had included on the March 20, 2020 agenda a review of items referred to  
22 the Special Master. *See* ECF No. 6509 at 2 & Attachment thereto. The attachment is once again  
23 included with this order for ease of reference. The court plans to review the list in the attachment  
24 at the status conference for the purpose of confirming whether certain items are delayed as a  
25 result of the COVID-19 pandemic (*e.g.*, Items 1, 2, 3, and 7); submitted to the court (Item 5); in  
26 process as expected (Item 6); completed as scheduled (Item 8); or ongoing as planned, albeit  
27 affected by the COVID-19 pandemic (Item 9). The court notes the Special Master has filed  
28

1 updates on Item 4, the status of his Twenty-Eighth Monitoring Round, in light of the COVID-19  
2 pandemic. *See* ECF Nos. 6512, 6615.

3 IT IS SO ORDERED.
