RALPH COLEMAN, et al.,
Plaintiff,
v.
GAVIN NEWSOM, et al.,
Defendants.

No. 2:90-cv-0520 KJM DB P

ORDER

As required by the court’s December 2, 2022 order, ECF No. 7675, on December 9, 2022 the Special Master filed staffing vacancy charts showing the most recent vacancy rates for “all psychologist classifications, all clinical social worker classifications, all recreational therapist classifications and all medical assistant classifications.” ECF No. 7677 at 1 (quoting ECF No. 7675 at 1). Good cause appearing, the court will order defendants to expand their monthly psychiatry vacancy reports to include current vacancy rates for all of the classifications included in the Special Master’s December 9, 2022 filing.¹

As the court orders below, defendants may report either the fill rate for all classifications required to be included in the report or the vacancy rate for all such classifications.
