1 **I. BACKGROUND**

2 A. On August 3, 2001, Plaintiff United States of America ("United States"), on behalf of the  
3 United States Department of Agriculture, Forest Service ("Forest Service"), filed a complaint  
4 pursuant to Sections 107 and 113(f) of the Comprehensive Environmental Response, Compensation,  
5 and Liability Act ("CERCLA"), 42 U.S.C. §§ 9607, 9613(f), against Defendants the County of El  
6 Dorado (the "County") and the City of South Lake Tahoe (the "City"). The complaint filed by the  
7 United States seeks recovery of environmental response costs incurred by the Forest Service related  
8 to the release or threatened release and/or disposal of hazardous substances at or from the Meyers  
9 Landfill Site, a former waste disposal facility located on National Forest System lands administered  
10 by the Lake Tahoe Basin Management Unit of the Forest Service, and a "facility" as defined under  
11 42 U.S.C. § 9601(9), with accrued interest, and a declaration of the County's and the City's liability  
12 for future response costs incurred by the United States related to the Site. On June 19, 2002, the  
13 County filed its Second Amended Third Party Complaint in this Action, seeking contribution under  
14 CERCLA Section 113(f), 42 U.S.C. § 9613(f), from Third-Party Defendant South Tahoe Refuse  
15 Company, Inc. ("STR" or "Settling Defendant"), which collected garbage in the South Lake  
16 Tahoe-area during a portion of the relevant time Meyers Landfill operated, and from a number of  
17 reported customers of STR during a portion of the relevant time and also contracted with the County  
18 to operate the dump.

19 B. The defendant that has entered into this Partial Consent Decree ("Settling Defendant")  
20 does not admit any liability to Plaintiff, cross-complainant or any other party arising out of the  
21 transactions or occurrences alleged in the Second Amended Third Party Complaint.

22 C. In response to a release or a substantial threat of a release of hazardous substances at or  
23 from the Site, in 2005 the Forest Service commenced a Supplemental Remedial Investigation and  
24 Supplemental Feasibility Study ("SRI/SFS") for the Site pursuant to 40 C.F.R. § 300.430.

1 D. In early 2006, consistent with EPA CERCLA guidance, the Forest Service made a  
2 determination to separate the landfill and the contaminated groundwater beneath the Site into two  
3 separate operable units (“OUs”) for remediation purposes. OU-1 is the landfill waste mass itself and  
4 OU-2 is the contaminated groundwater plume and any other site-wide response actions required  
5 subsequent to the implementation of the remedial action for OU-1. This Partial Consent Decree  
6 addresses OU-1.

7 E. The Forest Service completed the OU-1 SRI/SFS Report in May, 2007.

8 F. Pursuant to Section 117 of CERCLA, 42 U.S.C. § 9617, the Forest Service published  
9 notice of the completion of the OU-1 SRI/SFS and of the OU-1 proposed plan for remedial action  
10 on May 21, 2007, in a major local newspaper of general circulation. The Forest Service provided  
11 an opportunity for written and oral comments from the public on the proposed plan for remedial  
12 action. A copy of the transcript of the public meeting is available to the public as part of the  
13 administrative record upon which the Forest Service based the selection of the response action.

14 G. The decision by the Forest Service on the Remedial Action to be implemented at the Site  
15 for OU-1 is embodied in a final Record of Decision (“ROD” or “OU-1 ROD”), executed on  
16 November 15, 2007, on which the State had a reasonable opportunity to review and comment. The  
17 OU-1 ROD is supported by an administrative record that contains the documents and information  
18 upon which the Forest Service based its selection of the response action.

19 H. The United States has reviewed the Financial Information and Insurance Information  
20 submitted by Settling Defendant to determine whether Settling Defendant is financially able to pay  
21 response costs incurred and to be incurred at the Site. Based upon this Financial Information and  
22 Insurance Information, the United States has determined that Settling Defendant is able to pay the  
23 amounts specified in Section VI (Payment of Response Costs).

24 D. The United States and Settling Defendant agree, and this Court by entering this Partial  
25 Consent Decree finds, that this Partial Consent Decree has been negotiated by the Parties in good  
26 faith, that settlement of this matter will avoid prolonged and complicated litigation between the  
27 Parties, and that this Partial Consent Decree is fair, reasonable, and in the public interest.

28 ///

1           THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED,  
2 AND DECREED:

3   **II. JURISDICTION**

5 1331 and 1345 and 42 U.S.C. §§ 9607 and 9613(b) and also has personal jurisdiction over Settling  
6 Defendant. Solely for the purposes of this Partial Consent Decree and the underlying cross  
7 complaint, Settling Defendant waives all objections and defenses that it may have to jurisdiction of  
8 the Court or to venue in this District. Settling Defendant shall not challenge entry or the terms of  
9 this Partial Consent Decree or this Court's jurisdiction to enter and enforce this Partial Consent  
10 Decree.

1 **V. STATEMENT OF PURPOSE**

2 4. By entering into this Partial Consent Decree, the mutual objective of the Parties is for  
3 Settling Defendant to make a cash payment to resolve its alleged civil liability for OU1 at the Site  
4 under Sections 106 and 107 of CERCLA, 42 U.S.C. §§ 9606 and 9607, as provided in the Covenant  
5 Not to Sue by Plaintiff in Section VIII, and subject to the Reservations of Rights by United States  
6 in Section IX.

7 **VI. PAYMENT OF RESPONSE COSTS**

8 5. Within 45 days of the Effective Date of this Partial Consent Decree, Settling Defendant  
9 shall pay \$1,000,000.00 to the Forest Service to be deposited in the Meyers Landfill Special Account  
10 to be retained and used to conduct or finance response actions at or in connection with the Site.

11 6. Payment shall be made by FedWire Electronic Funds Transfer (“EFT”) to the U.S.  
12 Department of Justice account in accordance with current EFT procedures, referencing USAO File  
13 Number 2001V00433 and DOJ Case Number 90-11-3-06554 and Agency Locator Code AGFS.  
14 Payment shall be made in accordance with instructions provided to Settling Defendant by the  
15 Financial Litigation Unit of the U.S. Attorney’s Office in the Eastern District of California following  
16 lodging of the Partial Consent Decree. Any payment received by the Department of Justice after  
17 4:00 p.m. Eastern Time shall be credited on the next business day.

18 7. At the time of payment, Settling Defendant shall send notice that payment has been made  
19 to the Forest Service and DOJ in accordance with Section XIII (Notices and Submissions).

20 **VII. FAILURE TO COMPLY WITH PARTIAL CONSENT DECREE**

21 8. Interest on Late Payments. If Settling Defendant fails to make any payment required by  
22 Paragraph 5 by the required due date, Interest shall continue to accrue on the unpaid balance through  
23 the date of payment.

24 9. Stipulated Penalty.

25 a. If any amounts due under Paragraph 5 are not paid by the required date, Settling  
26 Defendant shall be in violation of this Partial Consent Decree and shall pay, as a stipulated penalty,  
27 in addition to the Interest required by Paragraph 9, \$500 per violation per day that such payment is  
28 late.

1 10. If the United States brings an action to enforce this Partial Consent Decree, Settling  
2 Defendant shall reimburse the United States for all costs of such action, including but not limited  
3 to costs of attorney time.

4 11. Payments made under this Section shall be in addition to any other remedies or sanctions  
5 available to Plaintiff by virtue of Settling Defendant's failure to comply with the requirements of this  
6 Partial Consent Decree.

7 12. Notwithstanding any other provision of this Section, the United States may, in its  
8 unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued  
9 pursuant to this Partial Consent Decree. Payment of stipulated penalties shall not excuse Settling  
10 Defendant from payment as required by Section VI or from performance of any other requirements  
11 of this Partial Consent Decree.

12 **VIII. COVENANT NOT TO SUE BY PLAINTIFF**

13 13. Except as specifically provided in Section IX (Reservation of Rights by United States),  
14 the United States covenants not to sue or to take administrative action against Settling Defendant  
15 pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), with regard to  
16 Past Response Costs, Interim Response Costs, and Future OU1 Response Costs. This covenant shall  
17 take effect upon receipt by the Forest Service of all amounts required by Section VI (Payment of  
18 Response Costs) and any amount due under Section VII (Failure to Comply with Partial Consent  
19 Decree). This covenant not to sue is conditioned upon the satisfactory performance by Settling  
20 Defendant of its obligations under this Partial Consent Decree, including but not limited to, payment  
21 of all amounts due under Section VI (Payment of Response Costs), and any amount due under  
22 Section VII (Failure to Comply with Partial Consent Decree). This covenant not to sue is also  
23 conditioned upon the veracity and completeness of the Financial Information and Insurance  
24 Information provided to the Forest Service by Settling Defendant and the financial, insurance and  
25 indemnity certification made by Settling Defendant in Paragraph 25.

26 ///

27 ///

28 ///

1 If the Financial Information or the Insurance Information provided by Settling Defendant, or the  
2 financial, insurance, or indemnity certification made by Settling Defendant in Paragraph 25, is  
3 subsequently determined by the Forest Service to be false or, in any material respect, inaccurate,  
4 Settling Defendant shall forfeit all payments made pursuant to this Partial Consent Decree and this  
5 covenant not to sue and the contribution protection in Paragraph 20 shall be null and void. Such  
6 forfeiture shall not constitute liquidated damages and shall not in any way foreclose the United  
7 States' right to pursue any other causes of action arising from Settling Defendant's false or materially  
8 inaccurate information. This covenant not to sue extends only to Settling Defendant and does not  
9 extend to any other person.

10 **IX. RESERVATION OF RIGHTS BY UNITED STATES**

11 14. The United States reserves, and this Partial Consent Decree is without prejudice to, all  
12 rights against Settling Defendant with respect to all matters not expressly included within the  
13 Covenant Not to Sue by United States in Paragraph 13. Notwithstanding any other provision of this  
14 Partial Consent Decree, the United States reserves all rights against Settling Defendant with respect  
15 to:

- 16 a. liability for failure of Settling Defendant to meet a requirement of this Partial  
17 Consent Decree;
- 18 b. criminal liability;
- 19 c. liability, based on the ownership or operation of the Site by Settling Defendant  
20 when such ownership or operation commences after signature of this Partial Consent Decree by  
21 Settling Defendant;
- 22 d. liability arising from the past, present, or future disposal, release or threat of  
23 release of a hazardous substance, pollutant, or contaminant outside of the Site;
- 24 e. liability for damages for injury to, destruction of, or loss of natural resources, and  
25 for the costs of any natural resource damage assessments; and
- 26 f. liability for additional operable units at the Site or the final response action.

27 ///

28 ///

1           15. Notwithstanding any other provision of this Partial Consent Decree, the United States  
2 reserves, and this Partial Consent Decree is without prejudice to, the right to reinstitute or reopen this  
3 action, or to commence a new action seeking relief other than as provided in this Partial Consent  
4 Decree, if the Financial Information or the Insurance Information provided by Settling Defendant,  
5 or the financial, insurance, or indemnity certification made by Settling Defendant in Paragraph 25,  
6 is false or, in any material respect, inaccurate.

7                           **X. COVENANT NOT TO SUE BY SETTLING DEFENDANT**

8           16. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of  
9 action against the United States, or its contractors or employees, with respect to Past Response Costs,  
10 Interim Response Costs, or Future OU1 Response Costs at the Site and this Partial Consent Decree,  
11 including but not limited to:

12                           a. any direct or indirect claim for reimbursement from the Hazardous Substance  
13 Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2),  
14 9607, 9611, 9612, or 9613, or any other provision of law;

15                           b. any claim arising out of response actions at or in connection with the Site,  
16 including any claim under the United States Constitution, the Tucker Act, 28 U.S.C. § 1491, the  
17 Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

18                           c. any claim against the United States pursuant to Sections 107 or 113 of CERCLA,  
19 42 U.S.C. §§ 9607 or 9613, relating to the Site.

20           Except as provided in Paragraph 18 (claims against other PRPs) and Paragraph 21 (*res*  
21 *judicata* and other defenses), these covenants not to sue shall not apply in the event the United States  
22 brings a cause of action or issues an order pursuant to any of the reservations set forth in Section IX  
23 (Reservations of Rights by United States), other than in Paragraph 14(a)(claims for failure to meet  
24 a requirement of the Partial Consent Decree) or 14(b) (criminal liability), but only to the extent that  
25 Settling Defendant's claims arise from the same response action or response costs that the United  
26 States is seeking pursuant to the applicable reservation.

27 ///

28 ///

1 17. Nothing in this Partial Consent Decree shall be deemed to constitute approval or  
2 preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or  
3 40 C.F.R. 300.700(d).

4 18. Settling Defendant agrees not to assert any claims or causes of action and to waive all  
5 claims or causes of action (including but not limited to claims or causes of action under Sections  
6 107(a) and 113 of CERCLA) that it may have for all matters relating to OU-1 at the Site against any  
7 other person who is a potentially responsible party under CERCLA at OU-1 at the Site. This waiver  
8 shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may  
9 have against any person if such person asserts a claim or cause of action relating to OU-1 at the Site  
10 against Settling Defendant.

11 **XI. EFFECT OF SETTLEMENT**

12 19. Except as provided in Paragraph 18 (claims against other PRPs), nothing in this Partial  
13 Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person  
14 not a Party to this Partial Consent Decree. Except as provided in Paragraph 18 (claims against other  
15 PRPs), each of the Parties expressly reserves any and all rights (including, but not limited to, Section  
16 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action which it may  
17 have with respect to any matter, transaction, or occurrence relating in any way to the Site against any  
18 person not a Party hereto. Nothing in this Partial Consent Decree diminishes the right of the United  
19 States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. §§ 9613(f)(2)-(3), to pursue any  
20 such persons to obtain additional response costs or response action and to enter into settlements that  
21 give rise to contribution protection pursuant to Section 113(f)(2).

22 20. The Parties agree, and by entering this Partial Consent Decree this Court finds, that this  
23 settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of  
24 CERCLA, 42 U.S.C. § 9613(f)(2), and that Settling Defendant is entitled, as of the date of entry of  
25 this Partial Consent Decree, to protection from contribution actions or claims as provided by Section  
26 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law for “matters  
27 addressed” in this Partial Consent Decree.

28 ///

1 The “matters addressed” in this Partial Consent Decree are the OU-1 Remedial Action, Past OU-1  
2 Response Costs, Interim OU-1 Costs, and Future OU-1 Costs; provided, however, that if the United  
3 States exercises rights under the reservations in Section IX (Reservation of Rights by United States),  
4 other than claims for failure to comply with this Partial Consent Decree or in Paragraph  
5 14(b)(Criminal liability), the “matters addressed” in this Partial Consent Decree will no longer  
6 include those response costs or response actions that are within the scope of such reservations.

7 21. Settling Defendant shall, with respect to any suit or claim brought by it for matters  
8 related to this Partial Consent Decree, notify the Forest Service and DOJ in writing no later than 60  
9 days prior to the initiation of such suit or claim. Settling Defendant also agrees that, with respect  
10 to any suit or claim for contribution brought against it for matters related to this Partial Consent  
11 Decree, it will notify the Forest Service and DOJ in writing within 10 days of service of the  
12 complaint or claim upon it. In addition, Settling Defendant shall notify the Forest Service and DOJ  
13 within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of  
14 receipt of any order from a court setting a case for trial, for matters related to this Partial Consent  
15 Decree.

16 22. In any subsequent administrative or judicial proceeding initiated by the United States for  
17 injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant  
18 shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res*  
19 *judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any  
20 contention that the claims raised by the United States in the subsequent proceeding were or should  
21 have been brought in the instant case; provided, however, that nothing in this Paragraph affects the

## 23 **XII. DOCUMENT RETENTION/CERTIFICATION**

24 23. Until 10 years after the entry of this Partial Consent Decree, Settling Defendant shall  
25 preserve and retain all records now in its possession or control, or which come into its possession  
26 or control, that relate in any manner to response actions taken at the Site or the liability of any person  
27 under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

28 ///

1           24. After the conclusion of the document retention period in the preceding paragraph,  
2 Settling Defendant shall notify the Forest Service and DOJ at least 90 days prior to the destruction  
3 of any such records, and, upon request by the Forest Service or DOJ, Settling Defendant shall deliver  
4 any such records to the Forest Service. Settling Defendant may assert that certain records are  
5 privileged under the attorney-client privilege or any other privilege recognized by federal law. If  
6 Settling Defendant asserts such a privilege, it shall provide Plaintiff with the following: 1) the title  
7 of the record; 2) the date of the record; 3) the name and title of the author of the record; 4) the name  
8 and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the  
9 privilege asserted. However, no records created or generated pursuant to the requirements of this  
10 or any other settlement with the United States shall be withheld on the grounds that they are  
11 privileged. In addition, Settling Defendant may assert business confidentiality claims covering part  
12 or all of the records submitted to Plaintiff[s] under this Partial Consent Decree to the extent  
13 permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40  
14 C.F.R. 2.203(b). Records determined to be confidential by the Forest Service will be accorded the  
15 protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies  
16 records when they are submitted to the Forest Service, or if the Forest Service has notified Settling  
17 Defendant that the records are not confidential under the standards of Section 104(e)(7) of CERCLA  
18 or 40 C.F.R. Part 2, Subpart B, the public may be given access to such records without further notice  
19 to Settling Defendant.

20           25. Settling Defendant hereby certifies that, to the best of its knowledge and belief, after  
21 thorough inquiry, it has:

22                   a. not altered, mutilated, discarded, destroyed or otherwise disposed of any records,  
23 reports, or other information relating to its potential liability regarding the Site since notification of  
24 potential liability by the United States or the filing of suit against it regarding the Site, and that it has  
25 fully complied with any and all Forest Service requests for information regarding the Site and  
26 Settling Defendant's financial circumstances pursuant to Sections 104(e) and 122(e) of CERCLA,  
27 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927; and
