_____ /
Plaintiffs submitted a report titled "April 2010 Special Stipulation Report #3 Excerpt" in support of their motion for a preliminary injunction. See Exh. 20 filed in support of Motion for Preliminary Injunction. This report contains information concerning 444 parole cases whose parole hearing dates were modified in light of a settlement in a state court case. These cases appear to be sorted first by institution and second by CDC number. The court is unable to manipulate the data because it is in a scanned file.

24

For the foregoing reasons, the court instructs plaintiffs to file by noon on Monday, January 10, 2011 a document that sorts the data in the following manner:
