15	On May 8, 2006, petitioner Xavier Nevares filed a letter with this court which the				
16	Clerk of Court interpreted as a federal petition for a writ of habeas corpus. Upon examination,				
17	however, it appears that petitioner's letter seeks information regarding the status of a state habeas				
18	petition filed on his behalf approximately three months ago in the Tulare County Superior Court. ¹				
19	No federal habeas petition or any other document has been filed by petitioner before this court.				
20	Because there is no federal habeas petition on file, the court will direct the Clerk				
21	of the Court to administratively close this case. Petitioner should direct any inquiry regarding the				
22	status of his state habeas action to the state court where that habeas petition was filed.

1	Petitioner is also advised that before he may seek habeas relief in federal court, he			
2	must exhaust state court remedies. See 28 U.S.C. § 2254(b)(1). A petitioner satisfies the			
3	exhaustion requirement by fairly presenting to the highest state court all federal claims before			
4	presenting them to the federal court. See Duncan v. Henry, 513 U.S. 364, 365 (1995) (per

7	In accordance with the above, IT IS HEREBY ORDERED that this action be
