On February 4, 2009, Plaintiff filed a request for a ruling which may not be necessary. A party should ensure a ruling is necessary before it is sought. Plaintiff's counsel should contact the Clerk's Office's audio visual representative concerning electronic equipment referenced in Plaintiff's February 4 filing, and security personnel about whether Plaintiff's requested ruling on what is allowed into the Federal Courthouse is necessary. I will not issue the requested ruling since it has not been shown necessary.
