Case No. 2:07-CV-00765-FCD-KJM

**STIPULATION AND ORDER TO
 CONTINUE FINAL PRE-TRIAL
 CONFERENCE AND TRIAL**

20 The parties to this litigation are in the process of attempting to finalize a global
 21 resolution of this matter. The parties believe additional time will be necessary in order to
 22 work out the details of the resolution of this case. For these reasons, all parties, by and
 23 through their counsel of record hereby stipulate and request that the Final Pre-Trial
 24 Conference (now scheduled for April 17, 2009) and trial (now scheduled for June 16, 2009)
 25 both be continued for a period of 60 days. The parties stipulate and request, by and through
 26 their counsel, the Final Pre-Trial Conference be continued to an available date on the court's
 27 docket in June of 2009. The parties also stipulate and request the trial of this case be
 28

1 continued to an available date on the court's docket in August of 2009.

2 The parties contend there is good cause to continue the dates for the Final Pre-Trial
3 Conference and trial in order to allow the parties additional time to work out the details of
4 resolution of this case. Assuming this case cannot be resolved before the Final Pre-Trial
5 Conference, plaintiffs agree defendants may take the depositions of Mr. and Mrs. Miller that
6 were previously taken off calendar by defendants before the discovery cut-off in
7 contemplation of the resolution of this matter. Continuance of both the Final Pre-Trial
8 Scheduling Conference and trial is in the best interests of all parties, justice and judicial
9 economy.
