This matter comes before the Court on petitioner’s “Request for a Certificate of Appealability.” Dkt. # 30. On June 2, 2010, the Court found that the dismissal of petitioner’s habeas petition is not debatable among reasonable jurists and declined to issue a certificate of appealability. The “Request for a Certificate of Appealability” is therefore DENIED as moot.

Dated this 2nd day of August, 2010.

United States District Judge
