Defendants

Complaint

"42 USC 1983 / celebrating my 6th / 8th amendment rights being violated"

comes now the Plaintiff, Jonathan Lee Riches[©], in pro-se, under 42 USC 1983 I seek \$60 million and a Emergency Restraining order forbidding Dick Clark from Entering NYC. Clark needs to be quarantined. Everyone on New Years are going to be celebrating my 5th year in prison. FCI Williamsburg Plans to host a Super New Years party Bash on T.V., Every major credit card company, and retail stores plan to Glow horns and ~~at my solitary cell.~~ Dick Clark hired a American Bandstand Rapper Eminem is going to Rap "J-Riches, his civil rights violated, word to the switches". Defendants have big Posters of me and throw darts at it, The Mumpers Plan to fly a huge float of me starving in a prison cell, as onlookers tease me with carbs. Dick Clark caused me to have a massive stroke. This is noise pollution, on new Years I will be sleeping in a tiny 6 by 9 cell, a violation of civil rights. Clark won't allow me a prison furlough to attend a cyber thief conference Def con at Las Vegas.
