STIPULATION  
SHORTENING TIME

14  
15  
16 The parties to this action stipulate to an Order Shortening Time for a Motion to Amend  
17 the Scheduling Order.

18 As set forth in greater detail in the attached affidavit of George F. Carpinello, the parties  
19 attempted to reach a mutually satisfactory resolution of a discovery dispute in June, but were  
20 unable to do so. Plaintiff then filed a motion to compel against Defendant Sears Roebuck & Co.  
21 prior to the end of the discovery deadline on July 1, 2009, but the discovery period ended before  
22 the Magistrate Judge could rule on the motion.

23 The Plaintiff therefore will be filing a Motion to Amend the Scheduling Order and all  
24 Parties stipulate to shortening the time to respond to said motion, with a proposed schedule set  
25 forth below:
