UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

WILLIAM STEWART NEELY,  
Petitioner,  
v.  
DIRECTOR, CALIFORNIA  
DEPARTMENT OF CORRECTIONS, et  
al.,  
Respondents.

No. 2:08-cv-1416 WBS CKD P

ORDER

On April 29, 2015, petitioner submitted a letter in which he seeks an order directing respondents to comply with an order issued approximately 5 years ago pertaining to discovery. Petitioner's application for writ of habeas corpus was denied on February 28, 2012 and this case was closed. Petitioner appealed the decision which was not successful as the Ninth Circuit denied petitioner a certificate of appealability. See ECF No. 52. For these reasons, absent extraordinary cause, no further orders will issue in this action.
