UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

PATRICK MICHAEL HAMER;
DONNA LEE HAMER,

No. 2:08-cv-02269-MCE-EFB PS

Plaintiffs,

v.

ORDER

EL DORADO COUNTY, et al.,
Defendants.

-----oo0oo-----

Presently before the Court is a document filed by Plaintiffs Patrick M. Hamer and Donna Lee Hamer, proceeding *in pro se* in this matter (hereinafter "Plaintiffs"). Plaintiffs' filing (Docket No. 79) is alternatively styled in three different fashions. First, the caption refers to a "Request for Reconsideration by the District Court of Magistrate Judge's Ruling" on Defendants' Motion to Dismiss (Docket No. 42). Second, Plaintiffs purport to file an "Objection" to this Court's March 19, 2010 Order adopting the magistrate judge's findings and recommendations dismissing the case (even though Plaintiffs were afforded leave to amend certain of their claims).

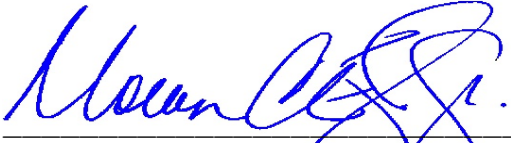

1 Third, Plaintiffs object to a non-Article III Judge adjudicating
2 the subject Motion to Dismiss.

3 Plaintiffs appear to misapprehend the fact that, by issuing
4 its March 19, 2010 Order adopting the magistrate judge's findings
5 and recommendations, this Court has already engaged in a de novo
6 review of the legal conclusions reached by the magistrate judge.
7 Given that review, Plaintiffs' first and third requests are
8 DENIED inasmuch as the requested review by the undersigned, as an
9 Article III judge of this Court, has already taken place.

10 Moreover, Plaintiffs' second request, which appears to seek
11 reconsideration of this Court's order approving the magistrate
12 judge's findings, is also DENIED, without prejudice, for failure
13 to file a noticed motion complying with the requirements of
14 Eastern District Local Rule 230(j). Plaintiff's so-called Motion
15 (Docket No. 79) is accordingly DENIED at this time in its
16 entirety.

17 IT IS SO ORDERED.

18 Dated: April 13, 2010
