Plaintiff has filed two motions asking, among other things, that the court resend its order scheduling the September 1, 2011, settlement conference (#133, #134). The motions are granted in part. The clerk of the court is directed to send plaintiff a copy of the court's order setting the settlement conference (#122). The motions are denied in all other respects. The court advises plaintiff that it has issued a writ of *habeas corpus ad testificandum* requiring that he be produced for the September 1,

1 2011, settlement conference, and that authorities at Avenal State  
2 Prison are aware of the order and have a copy of the writ.  
3 Plaintiff's remaining claims are outside the scope of this action  
4 and are therefore denied.

5 **IT IS SO ORDERED.**

6 DATED: This 15th day of August, 2011.
