The parties, Plaintiff Reliance Standard Life Insurance Company ("Reliance Standard"), and Defendant Charlie Harrison ("Defendant"), by and through their attorneys of record hereby file this stipulation to extend the time for the filing of a dispositional document pursuant to this Court's Order dated September 13, 2011, for good cause as follows.

As stated in the prior stipulation, the parties needed additional time to secure an amendment to the trust in which the real property at interest is held. The trustee has executed an amendment. However, the parties have not yet received the amendment in order to add it to the final settlement agreement. Once the amendment is received, it will be attached to the settlement agreement and the agreement signed. The parties anticipate receipt of the amendment by Monday, November 28, 2011. Therefore, they request that the Court continue the date for the filing of a dispositional document from November 23, 2011 to December 9, and the status conference from December 19, 2011 to January 9, 2012, or to a date that best accommodates this Court's docket so that they may secure the amendment to the trust agreement and sign the release and settlement agreement.
