NO. 2:09-CV-00903-WBS-DAD  
  
**STIPULATION AND ORDER TO  
MODIFY THE STATUS (PRETRIAL  
SCHEDULING) ORDER RE EXPERT  
DISCOVERY**

The Court’s August 5, 2009 Status (Pretrial Scheduling) Order establishes an expert witness disclosure date of February 12, 2010, a supplemental expert witness disclosure date of April 2, 2010, and a deadline for completion of discovery of May 28, 2010, which would be inclusive of all expert witness discovery.

The parties are presently conducting written discovery and contemplate proceeding with all necessary depositions to be completed before discovery deadline. However, due to the

1 technical nature of this case and the fact that the determination of appropriate expert witnesses  
2 depends to a great extent on deposition testimony to be provided by certain percipient  
3 witnesses whose depositions will likely not be taken until March or April of this year, it is  
4 apparent to the parties that it is not realistic to disclose expert witnesses and conduct expert  
5 witness discovery before the completion of percipient discovery. In order to provide all parties  
6 sufficient time to prepare substantive disclosures of expert witnesses and to conduct thorough  
7 discovery of expert witnesses, the parties propose to amend the schedule to provide for the  
8 following dates:

9	DISCLOSURE OF EXPERTS	JUNE 11, 2010
10	DISCLOSURE OF SUPPLEMENTAL EXPERTS	JUNE 25, 2010
11	COMPLETION OF EXPERT WITNESS DISCOVERY	JULY 9, 2010

12 All other deadlines (completion of discovery, motion hearing schedule, final pretrial  
13 conference, and trial) will remain unchanged.

14 IT IS SO STIPULATED.

15 DATED: March 4, 2010.
