**STIPULATION AND ORDER RE PRODUCTION OF DOCUMENTS**

Judge: Honorable Craig M. Kellison  
 Trial Date: TBA  
 Action Filed: May 11, 2009

19 The parties, by and through their attorneys of record, seek to modify the order denying  
 20 Plaintiff's motion to re-open discovery, dated February 20, 2015 (ECF No. 86), as it relates to  
 21 Defendant's production of Plaintiff's medical records. Specifically, the order requires Defendant  
 22 to provide Plaintiff's counsel with a copy of Plaintiff's complete medical records, burned on a  
 23 CD, on or before March 15, 2015.

24 Plaintiff has been incarcerated since 1980. The parties agree that it would be burdensome  
 25 and oppressive for Defendant to produce almost 35 years of medical records. Therefore, the  
 26 parties agree that Defendant will provide Plaintiff's attorney with a set of Plaintiff's medical  
 27 records from January 1, 2004 to the present. These records will be burned on a CD and provided  
 28 to Plaintiff's counsel on or before March 15, 2015.
