16 This is an immigration case in which plaintiff seeks review of the denial of his application
 17 for adjustment of status by United States Citizenship and Immigration Services. The parties
 18 hereby stipulate to an extension of time until December, 2009 for the filing of the government's
 19 answer to the complaint. The reason for this extension request is the possibility of a resolution
 20 of the matter at the administrative level within this time frame. Accordingly, the parties stipulate
 21 that the time for the government to file its answer to the complaint be extended until December
 22 3, 2009. As well, the parties request that the scheduling conference, currently set for August 5,
 2009, be reset to sometime after the new answer date.
