UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF CALIFORNIA

TRAVIS D. TIPPETTS,  
Plaintiff,

NO. CIV. S-09-1434 FCD CMK

v.

**STATUS (PRETRIAL SCHEDULING)  
ORDER**

BUTTE COUNTY SHERIFF'S  
DEPARTMENT, et. al.,  
Defendants.

After reviewing the parties' Joint Status Report filed on December 28, 2009, the court makes the following orders:

**I. SERVICE OF PROCESS**

All named defendants have been served and no further service is permitted without leave of court, good cause having been shown.

**II. ADDITIONAL PARTIES/AMENDMENTS/PLEADINGS**

No further joinder of parties or amendments to pleadings is permitted without leave of court, good cause having been shown. See Fed. R. Civ. P.16 (b); Johnson v. Mammoth Recreations, Inc., 975 F.2d 604 (9<sup>th</sup> Cir. 1992).

**III. JURISDICTION/VENUE**

Jurisdiction is predicated upon 28 U.S.C. §§ 1331, 1367 and 42 U.S.C. § 1983, and Venue is based on 28 U.S.C. § 1391(b)(2) Jurisdiction and venue are not disputed.

1           **IV.    DISCOVERY**

2           All discovery shall be **completed** by **June 13, 2011**. In this context, “completed” means  
3 that all discovery shall have been conducted so that all depositions have been taken and any  
4 disputes relative to discovery shall have been resolved by appropriate order if necessary and,  
5 where discovery has been ordered, the order has been obeyed. All motions to compel discovery  
6 must be noticed on the magistrate judge’s calendar in accordance with the local rules of this  
7 court.

8           **V.    DISCLOSURE OF EXPERT WITNESSES**

9           All counsel are to designate in writing, file with the court, and serve upon all other  
10 parties the name, address, and area of expertise of each expert that they propose to tender at trial  
11 not later than **June 27, 2011**. The designation shall be accompanied by a written report prepared  
12 and signed by the witness. The report shall comply with Fed. R. Civ. P. 26(a)(2)(B). By **July**  
13 **18, 2011**, any party who previously disclosed expert witnesses may submit a supplemental list of  
14 expert witnesses who will express an opinion on a subject covered by an expert designated by an  
15 adverse party, if the party supplementing an expert witness designation has not previously  
16 retained an expert to testify on that subject. The supplemental designation shall be accompanied  
17 by a written report which shall also comply with the conditions as stated above.

18           Failure of a party to comply with the disclosure schedule as set forth above in all  
19 likelihood will preclude that party from calling the expert witness at the time of trial. An expert  
20 witness not appearing on the designation will not be permitted to testify unless the party offering  
21 the witness demonstrates: (a) that the necessity for the witness could not have been reasonably  
22 anticipated at the time the list was proffered; (b) that the court and opposing counsel were  
23 promptly notified upon discovery of the witness; and (c) that the witness was promptly made  
24 available for deposition.

25           For purposes of this scheduling order, an “expert” is any person who may be used at trial  
26 to present evidence under Rules 702, 703, and 705 of the Federal Rules of Evidence, which  
27 include both “percipient experts” (persons who, because of their expertise, have rendered expert  
28 opinions in the normal course of their work duties or observations pertinent to the issues in the

1 case) and “retained experts” (persons specifically designated by a party to be a testifying expert  
2 for the purposes of litigation). Each party shall identify whether a disclosed expert is percipient,  
3 retained, or both. It will be assumed that a party designating a retained expert has acquired the  
4 express permission of the witness to be so listed. Parties designating percipient experts must  
5 state in the designation who is responsible for arranging the deposition of such persons.

6 All experts designated are to be fully prepared at the time of **designation** to render an  
7 informed opinion, and give their bases for their opinion, so that they will be able to give full and  
8 complete testimony at any deposition taken by the opposing party. Experts will not be permitted  
9 to testify at the trial as to any information gathered or evaluated, or opinion formed, after  
10 deposition taken subsequent to designation. All expert discovery shall be completed by **August**  
11 **19, 2011**.

## 12 **VI. MOTION HEARING SCHEDULE**

13 All dispositive motions, except motions for continuances, temporary restraining orders or  
14 other emergency applications, shall be heard no later than **October 28, 2011**. The parties may  
15 obtain available hearing dates by calling Michele Krueger, Deputy Courtroom Clerk, (916) 930-  
16 4163.

17 All purely legal issues are to be resolved by timely pretrial motions. Local Rule 230  
18 governs the calendaring and procedures of civil motions with the following additions:

- 19 (a) The opposition and reply must be filed **by 4:00 p.m.** on the day due; and  
20 (b) When the last day for filing an opposition brief falls on a legal holiday, the  
21 opposition brief shall be filed on the last court day **immediately**  
22 **preceding** the legal holiday.

23 Failure to comply with Local Rule 230(c), as modified by this order, may be deemed consent to  
24 the motion and the court may dispose of the motion summarily. Brydges v. Lewis, 18 F.3d 651,  
25 652-53 (9th Cir. 1994). Further, failure to timely oppose a summary judgment motion<sup>1</sup> may  
26 result in the granting of that motion if the movant shifts the burden to the nonmovant to

27  
28 <sup>1</sup> The court urges any party that contemplates bringing a motion for summary judgment  
or who must oppose a motion for summary judgment to review Local Rule 260.

1 demonstrate that a genuine issue of material fact remains for trial. Marshall v. Gates, 44 F.3d  
2 722 (9th Cir. 1995).

3 The court places a page limit of twenty (20) pages on all moving papers, twenty (20)  
4 pages on oppositions, and ten (10) pages for replies. All requests for page limit increases must  
5 be made through the courtroom deputy clerk at least fourteen (14) days prior to the filing of the  
6 motion.

7 For the court's convenience, citations to Supreme Court cases should include parallel  
8 citations to the Supreme Court Reporter.

9 The parties are reminded that a motion in limine is a pretrial procedural device designed  
10 to address the admissibility of evidence. The court will look with disfavor upon dispositional  
11 motions (except those noted on page 3) presented at the Final Pretrial Conference or at trial in  
12 the guise of motions in limine.

13 **The parties are cautioned that failure to raise a dispositive legal issue that could**  
14 **have been tendered to the court by proper pretrial motion prior to the dispositive motion**  
15 **cut-off date may constitute waiver of such issue.**

16 **VII. FINAL PRETRIAL CONFERENCE**

17 The Final Pretrial Conference is set for **January 13, 2012, at 2:00 p.m.** At least one of  
18 the attorneys who will conduct the trial for each of the parties shall attend the Final Pretrial  
19 Conference. If by reason of illness or other unavoidable circumstance a trial attorney is unable  
20 to attend, the attorney who attends in place of the trial attorney shall have equal familiarity with  
21 the case and equal authorization to make commitments on behalf of the client.

22 Counsel for all parties are to be fully prepared for trial at the time of the Final Pretrial  
23 Conference, with no matters remaining to be accomplished except production of witnesses for  
24 oral testimony. The parties shall confer and file, not later than seven (7) calendar days prior to  
25 the Final Pretrial Conference, a **joint** pretrial statement. The provisions of Local Rule 281 shall  
26 apply with respect to the matters to be included in the joint pretrial statement. In addition to  
27 those subjects listed in Local Rule 281(b), the parties are to provide the court with a plain,  
28 concise statement that identifies every non-discovery motion tendered to the court and its

1 resolution.

2 Failure to comply with Local Rule 281, as modified by this order, may be grounds for  
3 sanctions.

4 **Concurrently with the filing of the Joint Final Pretrial Conference Statement,**  
5 **counsel shall submit to chambers the word processing version of the statement, in its**  
6 **entirety (including the witness and exhibit lists) to: [fcdorders@caed.uscourts.gov](mailto:fcdorders@caed.uscourts.gov).**

7 The parties shall, in a concise manner, jointly identify **only** undisputed **core** facts  
8 separately that are relevant to each claim. Disputed **core** facts should then be identified in  
9 the same manner. The parties are reminded **not** to identify every fact in dispute but only  
10 those disputed facts that are **essential** to the formulation of each claim. Each disputed  
11 fact and undisputed fact should be separately numbered or lettered. **Where the parties**  
12 **are unable to agree what are the core disputed facts, they should nevertheless list**  
13 **core disputed facts in the above manner.**

14 Each party shall identify and concisely list each disputed evidentiary issue which  
15 will be the subject of a party's motion in limine.

16 Each party shall identify the points of law which concisely describe the legal issues of the  
17 trial which will be discussed in the parties' respective trial briefs. Points of law should reflect  
18 issues derived from the core undisputed and disputed facts. **Parties shall not include argument**  
19 **or authorities with any point of law.**

20 The parties shall prepare a **joint** statement of the case in **plain concise** language which  
21 will be read to the jury at the beginning of the trial. The purpose of the joint statement is to  
22 inform the jury what the case is about.

23 The parties are reminded that pursuant to Local Rule 281 they are required to attach to  
24 the Final Pretrial Conference Statement an exhibit listing witnesses and exhibits they propose to  
25 offer at trial. After the name of each witness, each party shall provide a **brief** statement of the  
26 nature of the testimony to be proffered. The parties may file a joint list or each party may file  
27 separate lists. These list(s) shall not be contained in the body of the Final Pretrial Conference  
28 Statement itself, but shall be attached as separate documents to be used as addenda to the Final

1 Pretrial Order.

2 Plaintiff's exhibits shall be listed numerically. Defendant's exhibits shall be listed  
3 alphabetically. The parties shall use the standard exhibit stickers provided by the court: pink for  
4 plaintiff and blue for defendant. In the event that the alphabet is exhausted, the exhibits shall be  
5 marked "AA-ZZ". However, if the amount of defendant exhibits exceeds "ZZ" exhibits shall be  
6 then listed as A-3, A-4, A-5 etc. All multi page exhibits shall be stapled or otherwise fastened  
7 together and each page within the exhibit shall be numbered. The list of exhibits shall not  
8 include excerpts of depositions, which may be used to impeach witnesses. **In the event that  
9 plaintiff(s) and defendant(s) offer the same exhibit during trial, that exhibit shall be  
10 referred to by the designation the exhibit is first identified. The court cautions the parties  
11 to pay attention to this detail so that all concerned, including the jury, will not be confused  
12 by one exhibit being identified with both a number and a letter.**

13 The Final Pretrial Order will contain a stringent standard for the offering at trial of  
14 witnesses and exhibits not listed in the Final Pretrial Order, and the parties are cautioned that the  
15 standard will be strictly applied. On the other hand, the listing of exhibits or witnesses that a  
16 party does not intend to offer will be viewed as an abuse of the court's processes.

17 Counsel shall produce all trial exhibits to Michele Krueger, the Courtroom Clerk, **no  
18 later than 3:00 p.m. on the Friday before trial.**

19 Discovery documents to be listed in the pretrial statement shall not include documents  
20 which will be used only for impeachment and in rebuttal.

21 The parties also are reminded that pursuant to Rule 16 of the Federal Rules of Civil  
22 Procedure it will be their duty at the Final Pretrial Conference to aid the court in: (a) the  
23 formulation and simplification of issues and the elimination of frivolous claims or defenses; (b)  
24 the settling of facts that should properly be admitted; and (c) the avoidance of unnecessary proof  
25 and cumulative evidence. **Counsel must cooperatively prepare the joint Final Pretrial  
26 Conference Statement and participate in good faith at the Final Pretrial Conference with**

1 **these aims in mind.**<sup>2</sup> A failure to do so may result in the imposition of sanctions which may  
2 include monetary sanctions, orders precluding proof, elimination of claims or defenses, or such  
3 other sanctions as the court deems appropriate.

4 **VIII. TRIAL SETTING**

5 The trial is set for **March 13, 2012 at 9:00 a.m.** Trial will **be by jury**. The parties  
6 estimate a trial length of approximately **four to five (4-5) days**.

7 **IX. SETTLEMENT CONFERENCE**

8 No settlement conference is currently scheduled. A settlement conference may be set at  
9 the time of the Final Pretrial Conference or at an earlier time at the parties' request. In the event  
10 that an earlier settlement conference date is requested, the parties shall file said request jointly, in  
11 writing. If the case will be tried to a jury, all parties should be prepared to advise the court  
12 whether they will stipulate to the trial judge acting as settlement judge and waive disqualification  
13 by virtue thereof.

14 Counsel are instructed to have a principal with full settlement authority present at the  
15 Settlement Conference or to be fully authorized to settle the matter on any terms. At least seven  
16 (7) calendar days before the Settlement Conference, counsel for each party shall submit to the  
17 chambers of the settlement judge a confidential Settlement Conference Statement. Such  
18 statements are neither to be filed with the Clerk nor served on opposing counsel. Each party,  
19 however, shall serve notice on all other parties that the statement has been submitted. If the  
20 settlement judge is not the trial judge, the Settlement Conference Statement shall not be  
21 disclosed to the trial judge.

22 **X. MODIFICATION OF STATUS (PRETRIAL SCHEDULING) ORDER**

23 The parties are reminded that pursuant to Rule 16(b) of the Federal Rules of Civil  
24 Procedure, the Status (Pretrial Scheduling) Order shall not be modified except by leave of court  
25 upon a showing of good cause. Agreement by the parties pursuant to stipulation alone does not

---

26  
27 <sup>2</sup> "If the pretrial conference discloses that no material facts are in dispute and that the  
28 undisputed facts entitle one of the parties to judgment as a matter of law," the court may  
summarily dispose of the case or claims. Portsmouth Square v. Shareholders Protective Comm.,  
770 F.2d 866, 868-69 (9th Cir. 1985).

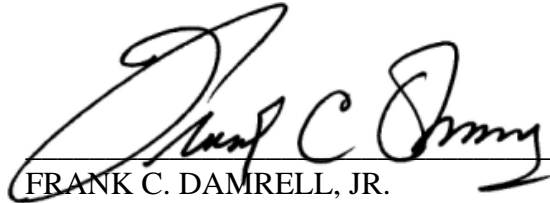

1 constitute good cause. Except in extraordinary circumstances, unavailability of witnesses or  
2 counsel does not constitute good cause.

3 **XI. OBJECTIONS TO STATUS (PRETRIAL SCHEDULING) ORDER**

4 This Status Order will become final without further order of the court unless objections  
5 are filed within **fourteen (14) calendar days** of service of this Order.

6 IT IS SO ORDERED.
