26 On November 16, 2009, this court issued a Status (Pretrial Scheduling) Order. On or about  
 27 November 23, 2010 this Court issued a new pretrial scheduling order due to unforeseen circumstances  
 28 including the retirement of Lawrence L. Angelo. On February 2, 2011, the Court entered a new  
 scheduling order modifying the expert disclosure deadlines. Since that time Andrea Miller, attorney  
 of record for the Plaintiffs became ill and was and is unable to continue as attorney for the Plaintiffs.

1 A new attorney, Michael A. Scheibli has substituted in and is in the process of reviewing the case,  
2 documents, discovery, issues and getting up to speed on this complex case. At present there are over  
3 2000 pages of discovery and documents to review.

4 As a result of these unforeseen circumstances and the need for Michael A. Scheibli's need to  
5 familiarize himself with the case, issues, and discovery the rescheduling of this case is necessary.
