AMENDED ORDER  
DENYING REQUEST FOR  
TEMPORARY INJUNCTIVE  
RELIEF

Plaintiffs' conclusory request for an order requiring their release from jail and protection from deportation fails to comply with Local Rule 65-231, and is therefore denied. This Rule requires a brief (legal authority) on all relevant issues presented in a motion, an affidavit justifying the relief sought, and an explanation concerning why notice of the motion was not provided to the affected parties.
