**STIPULATION AND ORDER TO  
 EXTEND TIME TO FILE FINAL  
 DISPOSITIONAL DOCUMENTS  
 UNTIL NOVEMBER 10, 2010**

---

20 On May 17, 2010, the parties filed a Notice of Settlement conditioned on the Court's  
 21 approval of a Petition for Minors' Compromise. Following settlement, Plaintiffs discovered  
 22 the existence of a Medi-Cal lien for each minor. Since then, Plaintiffs have been attempting  
 23 to obtain information on these liens in order to get them negotiated prior to filing the  
 24 Petition for Minors' Compromise. Plaintiffs have finally heard from Medi-Cal and it has been  
 25 confirmed that there will be no lien asserted by Medi-Cal. Plaintiffs' received this  
 26 confirmation on October 4, 2010.

27 The lien process with Medi-Cal has been extremely slow. Due to the delays caused  
 28 by this process, Plaintiffs have been unable to complete the Petitions to Approve the

1 Minors' Claims. Now that Medi-Cal has confirmed they will not be asserting liens in this  
2 matter, Plaintiffs can move forward with the Petitions. Plaintiffs will make arrangements to  
3 have the settlement funds invested in a single premium deferred annuity. Once those  
4 arrangements are made, Plaintiffs will be able to get the Petitions on file with the Court.  
5 Therefore, Plaintiffs hereby request a further extension of 30 days to have the Petition for  
6 Minors' Compromise heard and the final dispositional documents filed. Plaintiffs have been  
7 diligent in their attempts to negotiate these liens with Medi-Cal and as such, Defendants  
8 hereby stipulate to this request.

9 IT IS SO STIPULATED.
