----oo0oo----

The court has reviewed defendant Ford Motor Company's notice of removal to the United States District Court for the Eastern District of California under 28 U.S.C. §§ 1441(b) based on diversity jurisdiction. The court finds that neither the underlying complaint nor defendant's submissions demonstrates that the amount in controversy exceeds the sum of \$75,000.00. Therefore, this action is improperly before this court. Accordingly, the court REMANDS this action back to the Superior Court of the State of California, County of Sacramento.
