IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

PERRY BREWER

Petitioner,

No. CIV S-09-3540 GEB GGH (TEMP) P

vs.

J.W. HAVILAND

Respondent.

FINDINGS & RECOMMENDATIONS

_____/

Petitioner is a state prisoner proceeding pro se with a petition for writ of habeas corpus pursuant to 28 U.S.C. § 2254. Petitioner challenges the March 3, 2008, decision by the California Board of Parole Hearings (BPH) finding him unsuitable for parole.

On February 2, 2011, the undersigned ordered both parties to provide briefing regarding the recent United States Supreme Court decision that found that the Ninth Circuit erred in commanding a federal review of the state’s application of state law in applying the “some evidence” standard in the parole eligibility habeas context. Swarthout v. Cooke, 502 U.S. ____, __ S. Ct. ____, 2011 WL 197627 *2 (Jan. 24, 2011).

Only respondent has provided timely filed briefing. For the reasons set forth in the prior order, it appears there is no federal due process requirement for a “some evidence” review. Thus the federal courts are precluded from a review of the state court’s application of its

1 “some evidence” standard.¹

2 A review of the petition in this case demonstrates that it is entirely based on
3 alleged violation of California’s “some evidence” requirement. Therefore, the petition should be
4 denied.

5 Accordingly, IT IS HEREBY RECOMMENDED that respondent’s motion to
6 dismiss (Docket No. 11) be granted and the petition be denied.

7 If petitioner files objections, he shall also address if a certificate of appealability
8 should issue and, if so, as to which issues. A certificate of appealability may issue under 28
9 U.S.C. § 2253 “only if the applicant has made a substantial showing of the denial of a
10 constitutional right.” 28 U.S.C. § 2253(c)(2). The certificate of appealability must “indicate
11 which specific issue or issues satisfy” the requirement. 28 U.S.C. § 2253(c)(3).

12 These findings and recommendations are submitted to the United States District
13 Judge assigned to the case, pursuant to the provisions of 28 U.S.C. § 636(b)(1). Within fourteen
14 days after being served with these findings and recommendations, any party may file written
15 objections with the court and serve a copy on all parties. Such a document should be captioned
16 “Objections to Magistrate Judge’s Findings and Recommendations.” Any reply to the objections
17 shall be served and filed within fourteen days after service of the objections. The parties are

23 ¹ The court notes some perversity in the result here. Loss of good-time credits, even for a
24 day, pursuant to decision at a prison disciplinary hearing, must be supported by “some evidence.”
25 Superintendent v. Hill, 472 U.S. 445, 455, 105 S.Ct. 2768 (1985). Assignment to administrative
26 segregation requires the same “some evidence” before such an assignment can be justified.
Bruce v. Ylst, 351 F.3d 1283, 1288 (9th Cir.2003). However, a denial of parole eligibility after
sometimes decades in prison, and where another opportunity for parole can be delayed for as
long as fifteen more years, requires no such protection from the federal due process standpoint.
Nevertheless, such is the state of the law.

1 advised that failure to file objections within the specified time may waive the right to appeal the
2 District Court's order. Martinez v. Ylst, 951 F.2d 1153 (9th Cir. 1991).

3 DATED: March 2, 2011
