22 Defendant.

Case No. 2:10-CV-00023-MCE-GGH

STIPULATION AND ORDER TO MODIFY
 SCHEDULING ORDER RE EXPERT
 DISCLOSURES AND DISPOSITIVE MOTIONS

1 Plaintiff and Defendant, through their attorneys of record, stipulate and agree to the following:

2 1. The date currently set for the exchange of expert disclosures and supplemental
3 disclosures should be moved to give the parties more time to evaluate the nature and scope of any expert
4 testimony that may be necessary or desirable in this case and to locate experts who are qualified to
5 provide that testimony. Subject to approval by the Court, Plaintiff and Defendant therefore stipulate
6 and agree to change the schedule for the exchange of expert disclosures and supplemental expert
7 disclosures to the following dates:

8 **Expert Disclosures** exchanged on March 1, 2012

9 **Supplemental Expert Disclosures** exchanged on March 21, 2012

10 2. The current schedule for filing and briefing motions and cross-motions for summary
11 judgment should be extended to give the parties more time after they obtain all of the deposition
12 transcripts still being prepared by the reporter to analyze all of the evidence in the case to determine
13 whether summary judgment or partial summary judgment would likely resolve all or some of the claims
14 and issues in the case. Subject to approval by the Court, Plaintiff and Defendant therefore stipulate and
15 agree to change the schedule for filing and briefing motions and cross-motions for summary judgment as
16 follows:

17 **Plaintiff's dispositive motion** to be filed on March 23, 2012

18 **Defendant's opposition and cross-motion** to be filed on April 13, 2012

19 **Plaintiff's reply and opposition** to be filed on April 27, 2012

20 **Defendant's reply** to be filed on May 4, 2012

21 The hearing on dispositive motions shall be at 2:00 p.m. on May 11, 2012.
