and AUTISM REFORM CALIFORNIA

Counterdefendants.

The parties in the above captioned case hereby stipulate to continue the Joint Status Conference currently scheduled to take place on December 13, 2010. Because the Court is currently considering three motions to dismiss Plaintiffs' complaint and a motion to dismiss and a motion to strike Counterclaimants' complaint, the Parties believe it is in the interest of judicial economy to prepare Joint Status Reports and conduct the Joint Status Conference after the Court has ruled on the motions. At that time, the Parties believe they will be better able to provide the information requested in the Court's Pre-Trial Scheduling Order. Accordingly, the Parties request that the Joint Status Conference be continued until 30 days after the Court's ruling on the currently pending motions.
