IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

AARON P. STONE,

Petitioner,

No. CIV S-10-3454 KJM GGH P

vs.

M. MARTEL, et al.,

Respondents.

ORDER

_____ /

Petitioner is a state prisoner proceeding pro se with this application for a writ of habeas corpus pursuant to 28 U.S.C. § 2254. In recent months, petitioner has filed several motions in this action, all denied as meritless. (Doc. #34.) On June 7, 2011, petitioner filed yet another motion to “dismiss” a 2006 judgment by the Sacramento County Superior Court, despite this court’s previous admonishment that the only way to achieve this result is to prevail on the merits of his § 2254 action; there are no shortcuts or alternatives such as filing a motion. (Doc. #45.) Similarly, on June 23, 2011, petitioner filed a “motion for relief including relief from custody.” (Doc. #51.) The court does not look kindly upon petitioner’s latest filings in this vein, which only serve to waste the resources of respondent and this court. These motions will be denied.
