UNITED STATES DISTRICT COURT
 EASTERN DISTRICT OF CALIFORNIA

16 IRENE BORROMEEO,
 17 Plaintiff,
 18 vs.
 19 99 CENTS ONLY STORES,
 20 Defendant.

CASE NO. 2:11-cv-00149-MCE-KJN
 STIPULATION AND ORDER EXTENDING
 TIME TO RESPOND TO COMPLAINT
 Judge: Hon. Morrison C. England, Jr.

1 In accordance with Eastern District of California Local Rule 144(a), the parties
2 hereby agree to and seek court approval of an extension of time for Defendant 99 Cents Only
3 Stores to respond to Plaintiff Irene Borromeo's Complaint in this action. The requested extension
4 follows an initial 28-day extension agreed upon by the parties. This further extension will allow
5 the parties to meet and confer about potentially staying this action pending arbitration. The
6 parties believe that it may conserve judicial resources to meet and confer in this manner,
7 potentially avoiding unnecessary motion practice. In the event that the parties are unable to
8 resolve this issue through meeting and conferring, they agree that Defendant 99 Cents Only
9 Stores may respond to the Complaint by filing a motion to compel arbitration by April 29, 2011,
10 with any further response to the Complaint deferred until that motion is resolved.
