FOR THE EASTERN DISTRICT OF CALIFORNIA

BART LYONS,

Plaintiff,

No. 2:11-0268 GEB KJN P

vs.

FOLSOM MERCY HOSPITAL, et al.,

Defendants.

ORDER

\_\_\_\_\_ /

On December 15, 2011, the United States Marshal filed a notice that service of process could not be made on defendant Lang, because “defendant named is unknown.” (Dkt. No. 35.) As the court previously noted, by order filed December 9, 2011, plaintiff must provide additional information to serve defendant Lang; the information may be sought informally, or through discovery. (Dkt. No. 32.) Plaintiff may also attempt to obtain such information through the California Public Records Act. See Calif. Gov’t. Code §§ 6250, et seq. However, because defendants Browning and Lewis have been served process in this action, defense counsel is hereby directed to provide the requisite information to plaintiff, forthwith, if such information is reasonably available from defendants Browning or Lang. If plaintiff’s access to the required information is denied or unreasonably delayed, by any reasonable source, plaintiff may request further judicial intervention.
