26 COMPLAINT FOR PATENT INFRINGEMENT

1 Sacramento, California. Google is a leading global Internet company that provides, owns and  
2 operates online properties and services, including the website google.com, and related websites  
3 knol.google.com, books.google.com and picasa.google.com.

4 5. The Court has personal jurisdiction over the Defendant because, among other  
5 things, Google transacts business in this judicial district and has committed acts of infringement  
6 in this judicial district, at least by operating its Google Knol, Google Books and Google Picasa  
7 websites which are accessible to residents throughout this judicial district.

8 6. Venue is proper in this district under 28 U.S.C. §§ 1391 and 1400(b).

9 7. Google has infringed and continues to infringe at least claims 1, 6, 9, 16, 17, 19,  
10 20, 21, 22, 29, 30 and 31 of the '459 patent under 35 U.S.C. § 271(a) through Google's use,  
11 ownership and operation of websites in which it incorporates and facilitates Creative Commons  
12 licenses, including but not limited to Google Knol, Google Books and Google Picasa.

13 8. IconFind has complied with 35 U.S.C. § 287.

14 9. In January 2009, IconFind provided notice to Google that the '459 patent covered  
15 Google's operation of its website functionality. Nonetheless, Google continued its infringement  
16 with disregard for the '459 patent. Google and its patent attorneys also were aware of the '459  
17 patent as evidenced by the prosecution of Google's own U.S. Patent Nos. 7,664,734, 7,693,825  
18 and 7,788,274.

19 10. Google's infringement has occurred with knowledge of the '459 patent and  
20 willfully and deliberately in violation of 35 U.S.C. § 271. Google has not taken necessary steps  
21 to avoid infringement. Instead, Google has continued to infringe the '459 patent in an objectively  
22 reckless manner, with disregard of IconFind's rights in the '459 patent.

23 11. Google's acts of infringement have injured and continue to injure IconFind and it  
24 is entitled to recover damages adequate to compensate it for such infringement, but in no event  
25 less than a reasonable royalty.

1 WHEREFORE, Plaintiff IconFind respectfully requests this Court enter judgment against  
2 Defendant Google and against its subsidiaries, successors, parents, affiliates, officers, directors,  
3 agents, servants, employees, and all persons in active concert or participation with them, granting  
4 the following relief:

- 5 A. The entry of judgment in favor of Plaintiff and against the Defendant;
- 6 B. An award of damages adequate to compensate Plaintiff for the infringement that  
7 has occurred, but in no event less than a reasonable royalty as permitted by 35  
8 U.S.C. § 284, together with prejudgment interest from the date the infringement  
9 began;
- 10 C. Increased damages as permitted under 35 U.S.C. § 284;
- 11 D. A finding that this case is exceptional and an award to Plaintiff of its attorneys'  
12 fees and costs as provided by 35 U.S.C. § 285; and
- 13 E. Such other relief that Plaintiff is entitled to under law and any other and further  
14 relief that this Court or a jury may deem just and proper.

15 **JURY DEMAND**

16 Plaintiff demands a trial by jury on all issues presented in this Complaint.

17 Respectfully submitted,
