    ICONFIND, INC.,   Case No. 2:11-cv-00319-GEB-JFM

                        Plaintiff,   **JOINT STATUS REPORT RE
17   DISCOVERY DISAGREEMENT**
            v.
18
    GOOGLE INC.,
19
                        Defendant.
20

21   Pursuant to Magistrate Judge John F. Moulds' April 25, 2012 Order, Dkt. No. 91,

22   Plaintiff IconFind, Inc. ("IconFind") and Defendant Google Inc. ("Google") hereby file their

23   joint status report and **advise the Court that a hearing is not necessary** with respect to

24

25

1 IconFind's discovery motion regarding the propriety of Google's redacted document production

2 and corresponding privilege log. See Not. of Hearing, Dkt. No. 81.

3 　　　Pursuant to the Court's Order, the parties met and conferred on May 4, 2012 via

4 telephone. Specifically, the parties discussed IconFind's request for Google to supplement its

5 March 27, 2012 revised privilege log ("Revised Log") to reflect the 360 documents that it

6 initially identified but later removed from its August 25, 2011 initial privilege log ("Initial Log")

7 as nonresponsive, including the 220 documents that were produced in redacted form and the 140

8 documents that were withheld, and to identify them with the same level of specificity used to

9 identify the 19 entries on the Revised Log. Google agreed to supplement the Revised Log to

10 include the 360 documents. Given the upcoming deposition and claim construction schedule, the

11 parties agreed that Google would make reasonable efforts to provide the supplemental privilege

12 log in a timely manner, but not later than June 8, 2012.

13 　　　The parties agree that the foregoing agreement resolves the outstanding issues regarding

14 IconFind's discovery motion. See Not. of Hearing, Dkt. No. 81. Accordingly, the parties thank

15 the Court for its guidance on these issues and advise the Court that a hearing is not necessary.
