UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF CALIFORNIA

DWIGHT WHITAKER, et al.,  
Plaintiffs,

NO. CIV. S 11-0910 KJM DAD

v.

ORDER

HEALTH NET OF CALIFORNIA, INC.,  
et al.,  
Defendant.

An initial scheduling conference was held in this case on October 5, 2011. At the conference, the court proposed a trial date of July 15, 2013 but otherwise chose to defer case scheduling until resolution of the pending motions to dismiss.

Plaintiffs requested that discovery be allowed to proceed while defendants' motions to dismiss are pending. The court has reviewed plaintiffs' propounded discovery requests and will be prepared to address the status of discovery at the motion hearing calendared for November 9, 2011.

IT IS SO ORDERED.

DATED: November 2, 2011.

  
UNITED STATES DISTRICT JUDGE
