UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

PHILLIP ARTHUR THOMPSON,  
Petitioner,  
v.  
KATHLEEN DICKINSON,  
Respondent.

No. 2:11-cv-01318 GEB AC P

ORDER

Petitioner, a state prisoner proceeding pro se, has appealed this court’s denial of his petition for a writ of habeas corpus pursuant to 28 U.S.C. § 2254. ECF No. 41 (notice of appeal). Thereafter, on August 22 and 25, 2014, petitioner filed motions to proceed in forma pauperis on appeal. ECF Nos. 44 and 45. Petitioner is advised that the court has forwarded each motion to the Ninth Circuit Court of Appeals for further action as this court was divested of jurisdiction once petitioner filed his notice of appeal. See Griggs v. Provident Consumer Discount Co., 459 U.S. 56, 58 (1982) (per curiam).

Accordingly, IT IS HEREBY ORDERED that no further action will be taken on petitioner’s motions.

DATED: August 27, 2014

  
ALLISON CLAIRE  
UNITED STATES MAGISTRATE JUDGE
