UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

ANDRE CRAVER,
Plaintiff,
v.
J. HASTY, et al.,
Defendants.

No. 2:11-cv-1344 TLN KJN P

ORDER

Plaintiff, a state prisoner proceeding pro se, has filed this civil rights action seeking relief under 42 U.S.C. § 1983. The matter was referred to a United States Magistrate Judge pursuant to 28 U.S.C. § 636(b)(1)(B) and Local Rule 302.

On July 10, 2014, the magistrate judge filed findings and recommendations herein which were served on all parties and which contained notice to all parties that any objections to the findings and recommendations were to be filed within fourteen days. Plaintiff has filed objections to the findings and recommendations.

In accordance with the provisions of 28 U.S.C. § 636(b)(1)(C) and Local Rule 304, this court has conducted a de novo review of this case. Having carefully reviewed the entire file, the court finds the findings and recommendations to be supported by the record and by proper analysis.

//////

1 The undersigned agrees with the magistrate judge that injunctive relief pursuant to the All
2 Writs Act is not warranted. Plaintiff's claims for injunctive relief concerns conditions at
3 California State Prison-Lancaster ("Lancaster"). Lancaster is located within the jurisdiction of
4 the United States District Court for the Central District of California. As Plaintiff has previously
5 been advised, his claims regarding conditions at Lancaster should be raised in a civil rights action
6 filed in the United States District Court for the Central District of California.

7 Accordingly, IT IS HEREBY ORDERED that:

- 8 1. The findings and recommendations filed July 10, 2014, are adopted in full; and
- 9 2. Plaintiff's motion for federal protection (ECF No. 108), construed as a motion for
10 injunctive relief, is denied.
