16 This is an immigration case in which plaintiff has challenged the delay in the processing of
 17 Lamin Marrah’s application for adjustment of status. The parties have previously consented to
 18 two extensions of time, through November 15, 2011. As of the time of this filing, the
 19 administrative process remains ongoing. It is still expected that the administrative process will
 20 resolve the matter in its entirety, the parties now stipulate to a third extension of time for the
 21 filing of the government’s answer as well as the joint scheduling report, until March 5, 2012.
