This is an immigration case which is currently in abeyance pending resolution of an administrative appeal by the Board of Immigration Appeals. Since the parties' last filing, the Board returned to United States Citizenship and Immigration Services (USCIS), which in turn recently issued a Notice of Intent to Revoke. Plaintiffs are now in the process of responding to the Notice of Intent to Deny. USCIS will then consider that response and complete its adjudication. From there, it is possible that Plaintiffs might take further appeal to the Board of Immigration Appeals.

The parties therefore stipulate to an additional 6-month abeyance period for the conclusion of this administrative process. The parties will file a further status report on May 14,

1 2014. Good cause having been shown, the parties request a suspension of all other filing  
2 deadlines during this period.
