17 This is an immigration case which is currently in abeyance pending resolution of an
18 administrative appeal by the Board of Immigration Appeals. Unfortunately the Board of
19 Immigration Appeals has not issued a new decision yet, and the matter remains pending at the
20 Board. Because a new decision from the Board is an essential next step in this litigation, the
21 parties stipulate to an additional 6-month abeyance period for the conclusion of this
22 administrative process. The parties will file a further status report on May 14, 2015. Good cause
23 having been shown, the parties request a suspension of all other filing deadlines during this
24 period.
