UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

LEE THIEL PAYNE,  
  
                                  Plaintiff,  
  
          v.  
  
MARTIN, et al.,  
  
                                  Defendants.

No. 2:11-cv-1970-TLN-EFB P

ORDER DIRECTING FILING OF PRETRIAL STATEMENTS

Plaintiff is a state prisoner proceeding without counsel in an action brought under 42 U.S.C. § 1983. This action is ready to proceed to trial, and at this time, will not be referred to the Prisoner Settlement Program. Accordingly, the parties shall file pretrial statements in accordance with Local Rule 281 and this order. Plaintiff is hereby advised that failure to comply with the procedures set forth below may result in the preclusion of any and all witnesses named in his pretrial statement.

At trial, plaintiff must be prepared to introduce evidence to prove each of the alleged facts in support of his claims. Trial evidence generally takes the form of: (a) exhibits; and (b) witness testimony. It is plaintiff's responsibility to produce all of the evidence to prove his case, whether that evidence is in the form of exhibits or witness testimony. If plaintiff wants to call witnesses to testify, he must follow certain procedures to ensure that the witnesses will be at the trial and available to testify.

1 The following procedures apply for calling witnesses:

2 I. Obtaining Attendance of an Incarcerated Witness Who Intends to Testify Voluntarily

3 A witness who is willing to testify without the compulsion of a subpoena, but who is  
4 imprisoned or incarcerated, cannot appear to testify without a court order directing the custodian  
5 to produce him at the time of trial. The court will issue such an order only upon a showing that  
6 the witness has agreed to testify voluntarily and has actual knowledge of relevant facts.

7 Therefore, a party intending to introduce testimony from such a witness must file *with his*  
8 *pretrial statement* a motion for an order directing the witness's custodian to produce the witness  
9 for trial. The motion must:

- 10 1. Identify the witness by name, California Department of Corrections and Rehabilitation  
11 number, and address;
- 12 2. Include affidavits showing that the witness intends to testify voluntarily. This  
13 intention can be shown as follows:

- 14 a. The *party* can swear by affidavit that the witness has communicated to him  
15 an intention to testify voluntarily. The affidavit must include a statement  
16 of when and where the prospective witness informed the party of this  
17 willingness; or

- 18 b. The *witness* can swear by affidavit that he is willing to testify without the  
19 compulsion of subpoena.

- 20 3. Include affidavits showing each witness has actual knowledge of relevant facts.

21 The witness's knowledge can be shown as follows:

- 22 a. The *party* can swear that he knows the witness saw or heard relevant facts.  
23 For example, if something occurred in plaintiff's cell and plaintiff saw that  
24 a cell-mate was present and observed the incident, then plaintiff may swear  
25 to the cell-mate's ability to testify; or,

- 26 b. The *witness* can swear to the relevant facts he observed.

27 Any such affidavit must describe the incident, state when it occurred, where it occurred,  
28 who was present, and how the witness was in a position to see or to hear what occurred.

1 The court will review and rule on the motion for attendance of incarcerated witnesses,  
2 specifying which prospective witnesses must be brought to court. Subsequently, the court will  
3 issue the order necessary to cause the witness' custodian to bring the witness to court.

4 II. Obtaining Attendance of an Incarcerated Witness Who Refuses to Testify Voluntarily

5 If a party seeks to present testimony of an imprisoned or incarcerated witness who does  
6 not intend to testify voluntarily, the party must *with his pretrial statement* file a motion for an  
7 order directing that witness to appear. Such a motion must comply with the requirements  
8 explained above but the movant must demonstrate that any such witness does not intend to testify  
9 voluntarily.

10 III. Obtaining Attendance of an Unincarcerated Witness Who Agrees to Testify Voluntarily

11 A party need not obtain an order to produce an unincarcerated witness who intends to  
12 testify voluntarily. However, the party is responsible for ensuring attendance of such a witness.

13 IV. Obtaining Attendance of Unincarcerated Witnesses Who Refuse to Testify Voluntarily

14 To obtain the presence of a witness who is at liberty and who refuses to testify voluntarily,  
15 the party who intends to present that witness's testimony, and who proceeds in forma pauperis,  
16 must complete and submit to the United States Marshal a subpoena for service upon the witness.  
17 Blank subpoena forms may be obtained from the Clerk of the Court. Along with a completed  
18 subpoena, the party must also submit a copy of the court's order granting that party in forma  
19 pauperis status. Additionally, the party must tender a money order payable to the witness in the  
20 amount of the daily witness fee, \$40.00, *plus the witness's travel expenses*. The party must also  
21 notify the court that these materials have been submitted to the United States Marshal *not earlier*  
22 *than four weeks and not later than two weeks before trial*. A subpoena will not be served by the  
23 United States Marshal upon an unincarcerated witness unless the subpoena is accompanied by the  
24 materials listed above. No statute authorizes the use of public funds for expenses in civil cases  
25 and so even a plaintiff proceeding in forma pauperis must tender any witness fees and travel  
26 expenses.
