11   BRANDON MARSHALL, et.al.,   No. 2:11-cv-02310-MCE-GGH
                                                (and Consolidated Cases)
12   Plaintiff,

13   v.   **ORDER OF RELATED CASES AND
                                             CONSOLIDATION**

18   After review of the parties Stipulation Coordinating Cases

19   for Pretrial Purposes received on December 29, 2011, the Court

20   makes the following Orders:

21   Examination of the below listed civil actions reveals that

22   these actions are related within the meaning of Local Rule 123(a)

23   (E.D. Cal. 1997). The actions involve many of the same

24   defendants and are based on the same or similar claims, the same

25   property transaction or event, similar questions of fact and the

26   same questions of law, and would therefore entail a substantial

27   duplication of labor if heard by different judges.

                                    1

Accordingly, the assignment of the matters to the same judge is likely to effect a substantial savings of judicial effort and is also likely to be convenient for the parties. Under the regular practice of this Court, related cases are generally assigned to the district judge and magistrate judge to whom the first filed action was assigned.

IT IS THEREFORE ORDERED that pursuant to Fed. R. Civ. P. 42 the below listed actions are reassigned to Judge Morrison C. England, Jr. and Magistrate Judge Gregory G. Hollows and consolidated for all further proceedings. Any dates currently set in said actions are hereby VACATED.
