16 This is an immigration case in which plaintiff has challenged the denial of Plaintiff An Le's
 17 visa application. The parties have previously stipulated to one extension of time in an attempt to
 18 reach an administrative resolution to the matter. The parties have made significant progress
 19 toward that end, but the matter is not yet ripe for administrative adjudication. The parties
 20 therefore stipulate to a second 90-day extension of time in which to file both the government's
 answer to the complaint and the joint status report.

21 The parties request that the time for filing the government's answer be extended to July 5,
 22 2012, and that the scheduling conference, currently set for April 30, 2012, be reset to sometime
 23 after the new answer due date.
