**AMENDED STIPULATION AND ORDER  
 TO CONTINUE DISCOVERY CUTOFF**

1 The parties, by and through their attorneys of record, hereby request a short continuance of the  
2 discovery cutoff to allow completion of discovery properly noticed and served so as to comply with  
3 the original discovery cutoff of June 14, 2013. The parties request the discovery cutoff be extended to  
4 August 2, 2013, an additional 21 days from the present deadline of July 12. This extension will not  
5 affect or interfere with any other dates scheduled by the Court, such as the deadline for dispositive  
6 motions or the trial date. This is the third request made by the parties in this action and the discovery  
7 cutoff has previously been extended a total of 29 days.

8 Good cause exists to allow a short continuance of the discovery cutoff. Although the parties  
9 have managed to informally resolve the majority of their discovery disputes, one dispute had to be  
10 decided by motion. On July 5, 2013, the Court ruled on that motion, and the additional time requested  
11 is necessary to prepare for and conduct the remaining discovery.

12 For these reasons, the parties respectfully request that the current discovery cutoff of July 12,  
13 2013, be extended to August 2, 2013.
