26

On July 2, 2012, defendant filed an ex parte application to continue the preliminary injunction hearing. ECF No. 30. A hearing before the magistrate judge on plaintiff's motion for expedited discovery in this case is presently set to be heard on July 9, 2012. Defendant asserts that, given the July 9 discovery hearing date, defendant will not have time to review discovery before the opposition is due. Plaintiff filed a response to the ex parte

1 application, indicating that plaintiff is not opposed to continuing
2 the hearing date, but requests that the court impose conditions on
3 defendant regarding discovery. This court will continue the hearing
4 on the motion for a preliminary injunction, but will leave all
5 discovery matters for disposition by the magistrate judge.
6 Accordingly, the court ORDERS as follows:

7 [1] The hearing on plaintiff's motion for a preliminary
8 injunction is CONTINUED to August 6, 2012 at 10:00 a.m.

9 [2] Defendant SHALL file an opposition or statement of
10 non-opposition no later than July 23, 2012. Plaintiff's
11 reply, if any, is due no later than July 30, 2012.

12 IT IS SO ORDERED.

13 DATED: July 6, 2012.
