Case No. 2:12-CV-02033-KJM-AC

**CORRECTED STIPULATION  
 FOR ORDER MODIFYING  
 PRETRIAL SCHEDULE, ONLY  
 AS TO DISCLOSURE OF  
 EXPERTS; PROPOSED ORDER  
 THEREON**

24  
 25 Plaintiffs June Riddick, Patricia Hardy, Natalie Maderos and Valerie Lynn  
 26 (“Plaintiffs”), and Defendant YP Western Directory LLC (“YP”), by and through  
 27 their undersigned counsel of record, here by stipulate, and by this Stipulation  
 28 request the Court's approval, to the following:

1           1.       During the litigation, the parties did timely notify each other of initial  
2 expert disclosures. However, because of the inevitability of the Summary  
3 Judgment Motion filed by Defendant, and to economize for their clients, the parties  
4 deferred designating supplemental experts and conducting expert depositions until  
5 both sides knew what the trial issues would be.

6           2.       The Court having now ruled on that Summary Judgment Motion,  
7 Counsel have consulted cooperatively and in good faith, and hereby request by this  
8 Stipulation a modification of the Scheduling Order for the disclosure of expert  
9 witnesses and the taking of expert depositions. Counsel note for the Court that  
10 *nothing* in this Stipulation would require any change or modification to the current  
11 Trial or Pretrial Conference date, or the corresponding due dates for any related  
12 pretrial or trial filings. The parties have agreed on the following schedule as best  
13 serving their clients' interests and the interests of a just adjudication of this matter:

- 14                   a.   The parties will exchange revised or restated initial expert  
15                   disclosures on or before June 23, 2017.
- 16                   b.   The parties will exchange any supplement expert  
17                   disclosures on or before July 14, 2017.
- 18                   c.   Any expert depositions must be noticed and completed by  
19                   or before August 31, 2017.
- 20                   d.   The parties agree to serve expert reports and expert  
21                   documents on each other 7 days prior to the expert's  
22                   deposition.

23           3.       The parties do not make this Stipulated request for purposes of delay  
24 or out of a lack of diligence, but rather, make it in the interests of an economic and  
25 just litigation of this matter for all parties. The schedule contemplated herein is not  
26 intended to, nor should or shall it, interfere with any of the Court's other trial or  
27  
28

1 pretrial due dates, nor with counsel's obligations or ability to comply with that  
2 trial/pretrial schedule.
