

1 II. ADDITIONAL PARTIES/AMENDMENTS/PLEADINGS

2 Plaintiff shall file an amended pleading within **fourteen (14) day** to clarifying the
3 claims at issue in this action. No further joinder of parties or amendments to pleadings is
4 permitted without leave of court, good cause having been shown. *See* Fed. R. Civ. P. 16(b);
5 *Johnson v. Mammoth Recreations, Inc.*, 975 F.2d 604 (9th Cir. 1992).

6 III. JURISDICTION HEARING

7 Plaintiff initiated this action in state court; thereafter, the action was removed to
8 this court pursuant to 28 U.S.C. § 1332. The parties are directed to clarify the matter of this
9 court’s jurisdiction, either by stipulation or by hearing on plaintiff’s motion to remand, set for
10 **January 30, 2015 at 10:00 a.m.**

11 IV. DISCOVERY

12 Initial disclosures as required by Federal Rule of Civil Procedure 26(a) have been
13 filed and supplemental disclosures are due no later than **December 15, 2014**. All discovery shall
14 be completed by **October 13, 2015**. In this context, “completed” means that all discovery shall
15 have been conducted so that all depositions have been taken and any disputes relative to
16 discovery shall have been resolved by appropriate order if necessary and, where discovery has
17 been ordered, the order has been obeyed. All motions to compel discovery must be noticed on the
18 magistrate judge’s calendar in accordance with the local rules of this court. While the assigned
19 magistrate judge reviews proposed discovery phase protective orders, requests to seal or redact
20 are decided by Judge Mueller as discussed in more detail below. In addition, while the assigned
21 magistrate judge handles discovery motions, the magistrate judge cannot change the schedule set
22 in this order, even in connection with a discovery matter.

23 V. DISCLOSURE OF EXPERT WITNESSES

24 All counsel are to designate in writing, file with the court, and serve upon all other
25 parties the name, address, and area of expertise of each expert that they propose to tender at trial
26 not later than **October 13, 2015**. The designation shall be accompanied by a written report
27 prepared and signed by the witness. The report shall comply with Fed. R. Civ. P. 26(a)(2)(B).
28 By **November 13, 2015**, any party who previously disclosed expert witnesses may submit a

1 supplemental list of expert witnesses who will express an opinion on a subject covered by an
2 expert designated by an adverse party, if the party supplementing an expert witness designation
3 has not previously retained an expert to testify on that subject. The supplemental designation
4 shall be accompanied by a written report, which shall also comply with the conditions stated
5 above.

6 Failure of a party to comply with the disclosure schedule as set forth above in all
7 likelihood will preclude that party from calling the expert witness at the time of trial. An expert
8 witness not appearing on the designation will not be permitted to testify unless the party offering
9 the witness demonstrates: (a) that the necessity for the witness could not have been reasonably
10 anticipated at the time the list was proffered; (b) that the court and opposing counsel were
11 promptly notified upon discovery of the witness; and (c) that the witness was promptly made
12 available for deposition.

13 For purposes of this scheduling order, an “expert” is any person who may be used
14 at trial to present evidence under Rules 702, 703 and 705 of the Federal Rules of Evidence, which
15 include both “percipient experts” (persons who, because of their expertise, have rendered expert
16 opinions in the normal course of their work duties or observations pertinent to the issues in the
17 case) and “retained experts” (persons specifically designated by a party to be a testifying expert
18 for the purposes of litigation). A party shall identify whether a disclosed expert is percipient,
19 retained, or both. It will be assumed that a party designating a retained expert has acquired the
20 express permission of the witness to be so listed. Parties designating percipient experts must state
21 in the designation who is responsible for arranging the deposition of such persons.

22 All experts designated are to be fully prepared at the time of designation to render
23 an informed opinion, and give the bases for their opinion, so that they will be able to give full and
24 complete testimony at any deposition taken by the opposing party. Experts will not be permitted
25 to testify at trial as to any information gathered or evaluated, or opinion formed, after deposition
26 taken subsequent to designation. All expert discovery shall be completed by **December 14, 2015**.

28 ////

1 VI. MOTION HEARING SCHEDULE

2 All dispositive motions, except motions for continuances, temporary restraining
3 orders or other emergency applications, shall be heard no later than November 20, 2015.¹ The
4 parties may obtain available hearing dates by checking Judge Mueller's page on the court's
5 website.

6 All purely legal issues are to be resolved by timely pretrial motions. Local Rule
7 230 governs the calendaring and procedures of civil motions; the following provisions also apply:

8 (a) The opposition and reply must be filed by 4:00 p.m. on the day due; and

9 (b) When the last day for filing an opposition brief falls on a legal holiday, the
10 opposition brief shall be filed on the last court day immediately preceding the legal holiday.

11 Failure to comply with Local Rule 230(c), as modified by this order, may be deemed consent to
12 the motion and the court may dispose of the motion summarily. *Brydges v. Lewis*, 18 F.3d 651,
13 652-53 (9th Cir. 1994).

14 The court places a page limit of twenty (20) pages on all moving papers, twenty
15 (20) pages on oppositions, and ten (10) pages for replies. All requests for page limit increases
16 must be made through the courtroom deputy clerk at least fourteen (14) days prior to the filing of
17 the motion.

18 Prior to filing a motion in a case in which the parties are represented by counsel,
19 counsel shall engage in a pre-filing meet and confer to discuss thoroughly the substance of the
20 contemplated motion and any potential resolution. Plaintiff's counsel should carefully evaluate
21 the defendant's contentions as to deficiencies in the complaint and in many instances the party
22 considering a motion should agree to any amendment that would cure a curable defect. Counsel
23 should discuss the issues sufficiently so that if a motion of any kind is filed, including for
24 summary judgment, the briefing is directed only to those substantive issues requiring resolution
25 by the court. Counsel should resolve minor procedural or other non-substantive matters during
26 the meet and confer. **A notice of motion shall contain a certification by counsel filing the**

27
28 ¹ Note that this date may not correspond to a law and motion calendar date.

1 **motion that meet and confer efforts have been exhausted, with a brief summary of meet and**
2 **confer efforts.**

3 The parties are reminded that a motion *in limine* is a pretrial procedural device
4 designed to address the admissibility of evidence. The court looks with disfavor upon
5 dispositional motions presented at the Final Pretrial Conference or at trial in the guise of motions
6 *in limine*. Although all motions *in limine* must be filed in conjunction with the joint pretrial
7 statement, the court will hear only those motions it has identified to counsel before the hearing
8 date.

9 The parties are cautioned that failure to raise a dispositive legal issue that could
10 have been tendered to the court by proper pretrial motion prior to the dispositive motion cut-off
11 date may constitute waiver of such issue.

12 VII. SEALING

13 No document will be sealed, nor shall a redacted document be filed, without the
14 prior approval of the court. If a document for which sealing or redaction is sought relates to the
15 record on a motion to be decided by Judge Mueller, the request to seal or redact should be
16 directed to her and not the assigned Magistrate Judge. All requests to seal or redact shall be
17 governed by Local Rules 141 (sealing) and 140 (redaction); protective orders covering the
18 discovery phase of litigation shall not govern the filing of sealed or redacted documents on the
19 public docket. The court will only consider requests to seal or redact filed by the proponent of
20 sealing or redaction. If a party plans to make a filing that includes material an opposing party has
21 identified as confidential and potentially subject to sealing, the filing party shall provide the
22 opposing party with sufficient notice in advance of filing to allow for the seeking of an order of
23 sealing or redaction from the court.

24 VIII. FINAL PRETRIAL CONFERENCE

25 The Final Pretrial Conference is set for **February 18, 2016**, at 3:30 p.m. At least
26 one of the attorneys who will conduct the trial for each of the parties shall attend the Final Pretrial
27 Conference. If by reason of illness or other unavoidable circumstance a trial attorney is unable to

28 ////

1 attend, the attorney who attends in place of the trial attorney shall have equal familiarity with the
2 case and equal authorization to make commitments on behalf of the client.

3 Counsel for all parties are to be fully prepared for trial at the time of the Final
4 Pretrial Conference, with no matters remaining to be accomplished except production of
5 witnesses for oral testimony. The parties shall confer and file a joint pretrial conference
6 statement by **January 28, 2016**. The provisions of Local Rule 281 shall apply with respect to the
7 matters to be included in the joint pretrial statement. In addition to those subjects listed in Local
8 Rule 281(b), the parties are to provide the court with the following:

9 - A plain, concise statement that identifies every non-discovery motion previously
10 tendered to the court and its resolution.

11 - A concise, joint list of undisputed core facts that are relevant to each claim.
12 Disputed core facts should then be identified in the same manner. The parties are reminded not to
13 identify every fact in dispute but only those disputed facts that are essential to the formulation of
14 each claim. Each disputed fact and undisputed fact should be separately numbered or lettered.
15 Where the parties are unable to agree on the core disputed facts, they should nevertheless list core
16 disputed facts in the above manner.

17 - Concise lists of disputed evidentiary issues that will be the subject of a party's
18 motion *in limine*.

19 - Each party's points of law, which concisely describe the legal basis or theory
20 underlying their claims and defenses. Points of law should reflect issues derived from the core
21 undisputed and disputed facts. Parties shall not include argument with any point of law; the
22 parties may include concise arguments in their trial briefs.

23 - A joint statement of the case in plain concise language, which will be read to the
24 jury during voir dire and at the beginning of the trial. The purpose of the joint statement is to
25 inform the jury what the case is about.

26 - The parties' position on the number of jurors to be impaneled to try the case.

27 Discovery documents to be listed in the pretrial statement shall not include
28 documents to be used only for impeachment and in rebuttal.

1 The parties are reminded that pursuant to Local Rule 281 they are required to
2 attach to the Final Pretrial Conference Statement an exhibit listing witnesses and exhibits they
3 propose to offer at trial. After the name of each witness, each party shall provide a brief
4 statement of the nature of the testimony to be proffered. The parties may file a joint list or each
5 party may file separate lists. These list(s) shall not be contained in the body of the Final Pretrial
6 Conference Statement itself, but shall be attached as separate documents to be used as addenda to
7 the Final Pretrial Order.

8 Plaintiff's exhibits shall be listed numerically. Defendant's exhibits shall be listed
9 alphabetically. The parties shall use the standard exhibit stickers provided by the court: pink for
10 plaintiff and blue for defendant. In the event that the alphabet is exhausted, the exhibits shall be
11 marked "AA-ZZ". However, if the amount of defendant exhibits exceeds "ZZ" exhibits shall be
12 then listed as A-3, A-4, A-5 etc. All multi-page exhibits shall be stapled or otherwise fastened
13 together and each page within the exhibit shall be numbered. The list of exhibits shall not include
14 excerpts of depositions to be used only for impeachment. In the event that plaintiff(s) and
15 defendant(s) offer the same exhibit during trial, that exhibit shall be referred to by the designation
16 the exhibit is first identified. The court cautions the parties to pay attention to this detail so that
17 all concerned, including the jury, will not be confused by one exhibit being identified with both a
18 number and a letter. The parties are encouraged to consult concerning exhibits and, to the extent
19 possible, provide joint exhibits, which shall be designated as JX and listed numerically, e.g., JX-
20 1, JX-2.

21 The Final Pretrial Order will contain a stringent standard for the offering at trial of
22 witnesses and exhibits not listed in the Final Pretrial Order, and the parties are cautioned that the
23 standard will be strictly applied. On the other hand, the listing of exhibits or witnesses that a
24 party does not intend to offer will be viewed as an abuse of the court's processes.

25 Counsel shall produce all trial exhibits to Casey Schultz, the Courtroom Deputy,
26 no later than 3:00 p.m. on the Friday before trial.

27 Failure to comply with Local Rule 281, as modified by this order, may be grounds
28 for sanctions.

1 The parties also are reminded that pursuant to Rule 16 of the Federal Rules of
2 Civil Procedure it will be their duty at the Final Pretrial Conference to aid the court in: (a) the
3 formulation and simplification of issues and the elimination of frivolous claims or defenses; (b)
4 the settling of facts that should properly be admitted; and (c) the avoidance of unnecessary proof
5 and cumulative evidence. Counsel must cooperatively prepare the joint Final Pretrial Conference
6 Statement and participate in good faith at the Final Pretrial Conference with these aims in mind.²
7 A failure to do so may result in the imposition of sanctions which may include monetary
8 sanctions, orders precluding proof, elimination of claims or defenses, or such other sanctions as
9 the court deems appropriate.

10 Concurrently with the filing of the Joint Final Pretrial Conference Statement,
11 counsel shall submit to chambers the word processable version of the Statement, in its entirety
12 (including the witness and exhibit lists) to: kjmorders@caed.uscourts.gov.

13 IX. TRIAL SETTING

14 The jury trial is set for **May 9, 2016** at 9:00 a.m. The parties estimate a trial length
15 of approximately four (4) to five (5) days. Trial briefs are due by **April 25, 2016**.

16 X. SETTLEMENT CONFERENCE

17 No settlement conference is currently scheduled. A settlement conference may be
18 set at the time of the Final Pretrial Conference or at an earlier time at the parties' request. In the
19 event that an earlier settlement conference date or referral to the Voluntary Dispute Resolution
20 Program (VDRP) is requested, the parties shall file said request jointly, in writing. Because the
21 case will be tried to a jury, all parties should be prepared to advise the court whether they will
22 stipulate to the trial judge acting as settlement judge and waive disqualification by virtue thereof.

23 /////

24 /////

25 /////

26 ² "If the pretrial conference discloses that no material facts are in dispute and that the undisputed
27 facts entitle one of the parties to judgment as a matter of law," the court may summarily dispose
28 of the case or claims. *Portsmouth Square v. Shareholders Protective Comm.*, 770 F.2d 866, 868-
69 (9th Cir. 1985).

1 Counsel are instructed to have a principal with full settlement authority present at
2 any Settlement Conference or to be fully authorized to settle the matter on any terms. Each judge
3 has different requirements for the submission of settlement conference statements; the appropriate
4 instructions will be sent to you after the settlement judge is assigned.

5 XI. MODIFICATION OF STATUS (PRETRIAL SCHEDULING) ORDER

6 The parties are reminded that pursuant to Rule 16(b) of the Federal Rules of Civil
7 Procedure, the Status (Pretrial Scheduling) Order shall not be modified except by leave of court
8 upon a showing of good cause. Agreement by the parties pursuant to stipulation alone does not
9 constitute good cause. Except in extraordinary circumstances, unavailability of witnesses or
10 counsel does not constitute good cause.

11 XII. OBJECTIONS TO STATUS (PRETRIAL SCHEDULING) ORDER

12 This Status Order will become final without further order of the court unless
13 objections are filed within fourteen (14) *calendar* days of service of this Order.

14 IT IS SO ORDERED.

15 DATED: November 20, 2014.

16 
17 _____
18 UNITED STATES DISTRICT JUDGE
