No. 2:13-cv-0636-CMK

12 Plaintiff,

13 vs.

ORDER

14 COMMISSIONER OF SOCIAL
15 SECURITY,

16 Defendant.
_____ /

17 Plaintiff, who is proceeding *in propira persona*, brings this action under 42 U.S.C.
18 § 405(g) for judicial review of a final decision of the Commissioner of Social Security.

19 Pending before the court are plaintiff's requests for additional time to file and/or
20 submit supplemental information with her motion for voluntary remand. The court notes that no
21 motion for voluntary remand has been filed with the court. The scheduling order issued on April
22 2, 2013, directs plaintiff to *file* a motion for summary judgment and/or remand within 45 days
23 from being served with a copy of the administrative record. Here, plaintiff indicates she sent a
24 request for voluntary remand directly to the defendant, but she has not filed her motion with the
25 court. As plaintiff indicates she needs additional time in which to complete her motion, the court
26 will allow her more time. However, plaintiff is cautioned that she is required to file her motion

1 for summary judgment and/or voluntary remand with the court.

2 In addition, plaintiff is requesting to be allowed to file her document via facsimile.
3 The court is not able to accept filings by fax. Plaintiff may mail any of her filings to the court, or
4 she may bring them to the court and file them in person. If she chooses to mail her documents to
5 the court, she should address them to:

6 Clerk of the Court

10 Accordingly, IT IS HERE BY ORDERED that:

- 12 2. Plaintiff shall file her motion for summary judgment and/or voluntary
13 remand within 30 days of the date of this order; and
- 14 3. Plaintiff's motion to file documents by fax (Doc. 15) is denied.
